General Rules for Flowers

- In an effort to maintain fresh flowers throughout Fair, the Flower Department has divided the show. A divided show will improve the display of the arrangements and flower entries.
- Limit one entry per class per exhibitor.
- Entry is free if pre-entered online or by form in the Fair office by 5 PM, August 2. Exhibits registered during entry are subject to a \$1 fee per entry.
- 17 & Under enter youth divisions 05F, 05G, and 05H.
- Entries must be grown by exhibitor.
- Wherever a section calls for a certain number of blooms, spikes, sprays or stalks, enter exactly that number.
- All flowers must be named on "Exhibit Description" lines of the entry tag.
- Superintendents and clerks will endeavor to care for all entries but will not be held responsible for loss or injury to the entry.
- Use one name only on all entry tags. Your points will accumulate towards the Green Thumb Gardener. Do not use name variations on your entry tags, such as your full name on one tag, a nickname on another tag, and initials on yet another tag. We will not assume all names used on tags belong to you. Please note that corrections will not be made after entries are taken. Points will be awarded to the name on the entry tag.
- Please check with superintendents before watering, rearranging exhibits, or changing wilted flowers. Wilted flowers must be changed before 10 PM Wednesday night. Superintendents will dispose of wilting or rotting flowers at their discretion.

Special Awards

Green Thumb Gardener Award

Adult and Youth Exhibitor accumulating the most points in the following: Dept. 2-Fruits, Nuts, & Herbs; Dept. 4-Vegetables & Field Crops; and Dept. 5-Flowers will be awarded Green Thumb Gardener. Adult first place wins \$15 and a plaque, second place earns \$10 and a certificate. Youth first place wins \$10 and a plaque, second place earns \$5 and a certificate. Points for ribbons are as follows: Purple: 6 points, Blue: 5 points, Red: 4 points and White: 3 points.

Sponsored by: *A Little of This & That.*

DEFINITIONS

- Bloom:** Single flower on one stem. Examples: zinnia, dahlia, rose
- Spike:** Lengthened flower clusters in which flowers are practically stemless. Examples: snapdragons, gladiolus
- Spray:** Several flowers or clusters of flowers on a branched stem, each having its own stem. Examples: petunias, cosmos
- Stalk:** A stem, shaft, or slender supporting part of a plant. Examples: lilies
- Display:** A larger entry of one type of flower that contains more blooms, spikes, sprays or stalks.

SELECTING ENTRIES

- Cut your flowers in late afternoon the day before they are to be entered. Cutting should be done at about 4 pm, since at that time there is the greatest amount of sugar in the leaves; unless it is extremely hot weather, at which time cutting in the early morning is optimum.
- Place the flowers immediately in water that has been set out in the garden all day. Keep flowers in water, in a cool, dark place overnight.
- To arrange, cut stems cleanly at an angle under water with a sharp knife and place in water-filled vase or container.

STEMS & FOLIAGE - GROOM PLANTS WELL!

- Cut stems as long as possible. All stems should be in proportion to the flower.
- Attached foliage must accompany bloom entries to show the flower as it is grown. Therefore, if a flower calls for foliage, it must be attached. Exception: when bloom has no foliage
- Foliage should not be in water. Trim off any foliage below the water line.
- Foliage should be clean.
- Any broken or disfigured foliage or petals should be removed, as foliage and stems as well as blooms count in judging.
- It is better to have more stem and foliage than too little.

DISPLAY CONTAINERS

- Label your containers on the bottom.
- All flowers must be displayed in clean containers.
- Containers should be in proportion to the flower and tall enough to hold flower upright.
- Do not use valuable or fragile containers for vases. Jars, beer bottles (with labels removed), etc. are good substitutes.
- If your entry is heavy, be sure your container is weighted so it won't tip over.
- If you are bringing in a LOT of entry items, please bring box(es) marked with your name to leave with staff to put your empty containers in during Fair tear-down.
