

# NORTH IDAHO STATE FAIR

## 4-H RULES AND DEPARTMENTS

EXTENSION EDUCATOR, 4-H/Youth Development: Sharla Wilson

4-H PROGRAM COORDINATOR: Teresa Balderrama

EXTENSION SECRETARIES: Jillian Waters – Michal Bennett

The Kootenai/Shoshone 4-H program strongly supports positive animal care and strongly opposes animal abuse. 4-H is also dedicated to the mission of developing youth and volunteers through “Learning by Doing” programs. 4-H animal projects teach life skills such as responsibility, information gathering, and decision-making.

### GENERAL RULES

1. Entries can only be made in those projects for which the member was officially enrolled as a Kootenai/Shoshone County 4-H Member by March 1st and in that project by April 1st. Entries must be in the proper unit and entered through Fair Entry to be eligible for top overall awards. All entries must be made/grown during the project year.
2. A member may only enroll in two units of any given project during the current 4-H year; only one entry may be made in a class. Extra exhibits may be entered in Open Class. A member may NOT enter the same animal in 4-H and open class.
3. Exhibitors, parents, and leaders are expected to conduct themselves in a responsible and sportsman-like manner at all times. Efforts are being made to insure that the Fair is an enjoyable experience for everyone. Any violators, be it toward fair officials, other exhibitors, parents or leaders or toward the general public, will face immediate expulsion from the fair and will forfeit any privileges or premiums associated with the Fair.
4. All protests must be in writing and accompanied by a deposit of \$50 which will be forfeited if protest is not sustained. Such protest must state plainly the case of the complaint or appeal and must be delivered to a 4-H Extension Staff person within six hours after the occasion of such protest. The protest will be considered by the Extension Staff as quickly as possible and their decision in the matter shall be final.
5. Members must submit their 4-H animal entry through Fair Entry and pay stall fees by July 16; no entries will be taken after July 16, 2021.
6. Completed record books of all dog, horse, market, breeding, dairy, family flock and pullet/layer animal projects must be submitted to the respective project leaders, then to the Extension Office by 5 pm on September 8. Members need to have also submitted a current Involvement Report, through Zsuite to the Extension Office, for their record book to be considered complete, and to exhibit at fair. In reviewing these records, should any record be deemed incomplete, the member will be notified and then have until 5 pm on the last business day of September to resubmit a completed record book. If a member exhibits an animal during the Fair but then fails to complete all of the project completion requirements associated with that exhibit by the established deadlines (including the submission of a satisfactory completed project record), they will be ineligible to enroll in the same project area the following year. Should that member sell a market animal project during the Fair and then fail to complete all the project completion requirements by the last business day of September, they will not be eligible to enroll in that species area or any market animal project the following year.
7. Grade or registered livestock are shown in the same class, unless otherwise noted.
8. Only dehorned or polled cattle and sheep can be entered and shown. Any cattle and sheep having scurs over 2 inches long from the skin at the base of the horn to the tip will be disqualified from exhibiting. This is a safety precaution for exhibitors and the public.
9. Pet/Pack, and Breeding Goats may be shown with horns. All horns must be tipped, taped, or padded. Market and Dairy goats must be dehorned or polled or have scurs less than 2 inches long (see rule 11).
10. All Market Sheep and market goats entered in the North Idaho State Fair must be under one year of age, fair officials will use teeth to confirm age of animal.
11. Members must exhibit their own project animal/fowl in quality judging, plus fit and show one animal/fowl from each livestock category (beef, dairy, goat, poultry, rabbit, sheep, swine) the member enters in the Fair. Any requests for exception must be made directly to the Department superintendent and are subject to review team approval (Extension 4-H Educator/Coordinator, Department Superintendent, one other 4-H leader and representatives from 2 other 4-H clubs). All market animals must

### 4-H BUILDING/STILL LIFE EXHIBITS

5. Every 4-H Building exhibit shall have attached to it a 4 inch x 6 inch card (printed by the Extension Office) with first and last name of member, club name, project title, and member age division.
6. All exhibits (involvement reports, record books, posters, notebooks and displays) must meet the specifications set forth in the current Kootenai/Shoshone 4-H Project Requirements and its “Glossary of Terms”. {This supersedes any conflicting exhibit specifications listed in project manuals or state level project requirements.}
7. Selected project areas will be interview judged. These projects have been identified with {Interview Judged} next to the project category listing. These projects will be delivered to the 4-H Exhibit Area for display by the Extension Office after judging is completed.

### 4-H LIVESTOCK EXHIBITS

be fit and shown unless excused as specified above, poultry and rabbits must show according to provisions noted in the Project Requirement Handbook.

15. Market animals will be weighed prior to the start of the fair during the scheduled time for each species. If a weight is disputed by the exhibitor, the exhibitor's parent, or any representative of the exhibitor, the animal will step off the scale and be IMMEDIATELY re-weighed. The market animal may not return to the stalls, wash area, trailer, or any other area or the exhibitor forfeits the ability to re-weigh the animal.
16. At the fair weigh-in a member will weigh in their first choice animal. If that animal does not make weight, then the member may weigh in a second animal (available to them as a personal alternate or an alternate in their family pool). If the exhibitor chooses to weigh an alternate (second) animal, they must use the second animal weighed as the fair exhibit, regardless of weight. See Project Requirement Glossary of Terms for alternate animal definition and options.
17. Exhibitors shall furnish hay and other feeds at their own expense. Due to swine pen size, only self-waterers plus an optional self-feeder (no larger than 12 inches x 12 inches at the base) may be left in swine pens; buckets and pans must be removed immediately after feeding. Failure to provide proper care (feed, water, etc.) of any animals may result in disqualification and removal of affected animals.
18. All 4-H Livestock Barns, including Poultry & Rabbits, must be cleaned by livestock exhibitors before 10 am daily. Cleanliness of pens and aisles must be maintained during Fair hours without obstructing the walkways. All animals will utilize designated bedding materials. Exhibitors must stall in assigned areas, no exceptions.
19. There will be a barn curfew from 10PM to 5AM. Exhibitors will not be allowed in livestock barns during this time unless accompanied by an approved leader or chaperone and with permission from the barn superintendent.
20. During the course of the North Idaho State Fair all animals are to be clean and well fitted for quality and fitting & showing classes. Only the exhibitors are allowed to do actual grooming of their project animals. Parents and leaders are urged to be present and provide support/assistance to the exhibitors. Sheep must be completely dry when weighing in. They may be washed after weigh-in, but must be dry when shown.
21. Upon request of the barn superintendent, an exhibitor's animal may be used for the 4-H livestock judging contest or round robin.
22. All animal entries must stay in their designated exhibit area for the duration of fair. Animals may only leave the exhibit area with superintendent authorization.
23. Use of any unauthorized drugs, tranquilizers, or performance enhancing substances in animals is strictly prohibited; withdrawal times for licensed products must be followed. All animals entered in the North Idaho State Fair are subject to testing. Should a violation occur, it will be dealt with according to procedures as listed on the 4-H Animal Check In and Quality Assurance Form and Idaho's current 4-H Youth Development Policies and Procedures.
24. The participant is on notice that the unauthorized use of drugs/tranquilizers may be a violation of state and/or federal statutes, and that the above sanctions by the Fair Board and/or Extension do not circumvent the prosecution of any individual violating state and/or federal laws.
25. All animals will be subject to a health inspection prior to the opening day of fair. Livestock must enter the fairgrounds through the Dalton gate entrance (next to CDA High School) and be inspected by the fair veterinarian prior to unloading. Please

review the 4-H Idaho Livestock Exhibitors Reference Manual for livestock health guidelines.

26. Extension reserves the right, in consultation with the Fair veterinarian and member's family, to require the immediate removal of any 4-H animal from the grounds that exhibits a condition deemed detrimental to itself or other animal exhibits. All sheep and goats requiring Scrapie identification, beef/dairy cattle requiring Bangs vaccinations, and poultry requiring avian influenza testing must be in compliance to exhibit. (see Idaho Livestock Exhibitors Reference Manual for more information)
27. It is mandatory to sell all Grand and Reserve Champion market animals. Other eligible market animals must also be sold, unless excluded at the time of Fair weigh-in. Only animals weighed and tagged during the Spring weigh-ins are eligible to be shown in any market animal classes; these tagged animals may not be entered as breeding projects that year.
28. Livestock animals not meeting the weight requirements of the species, will NOT be eligible to leave with a processor from the fair. Lightweight and white ribbon livestock will be loaded out as Take Out (exhibitor responsible for removal).

#### **AWARDS**

29. The Danish award system will be used. All completed exhibits will be divided into three ribbon groups according to the quality of project work exhibited at the Fair. Blue ribbons indicate excellent work. Red ribbons indicate very good work. White ribbons indicate fairly good work. Incomplete exhibits will not receive awards or be displayed. Only completed exhibits receiving a blue ribbon will be eligible for top overall awards, which will be given at the judge's discretion. Unless otherwise noted, premiums are: Blue: \$5, Red: \$3, and White: \$1 plus Farm Bureau adds an additional \$2 per 4-H premium.
30. Cash premiums will be paid out during a specific time at the fair (dates and times TBA). Premiums may also be picked up Tuesday, August 31st through Friday, September 3rd during regular Fair Office hours (9 am to 4:00 pm daily, closed for lunch between Noon and 1 pm and closed on the weekends). If not claimed by 4 pm on September 3rd, the premium will be considered a donation to the Fair's general fund.

#### **EXHIBIT REMOVAL**

31. Unauthorized removal of exhibits prior to scheduled release times will result in forfeiture of any and all premiums, awards and/or sale proceeds, and be subject to further disciplinary action as deemed appropriate.
32. Livestock removal: Rabbits and poultry, including small animal sale entries, can be checked out from 7 pm to 9 pm on Sunday, August 29. The 4-H Stock Sale Livestock animals marked for take-out, may be checked out after 8 pm Monday, August 23. Large volume stock sale loads will be scheduled at an alternate time, by species. All animal entries are to be checked out with the species superintendent. Final removal of bedding, decorations, and breakdown of pens will be addressed at the barn meeting. Members or owners are responsible for picking up animal exhibits.
33. 4-H Building exhibit removal: All exhibits must be checked out with Superintendents on Monday, August 30 after 5 pm and before 7 pm. Organizational and/or Project leaders are responsible for picking up all 4-H Building exhibits and returning them to the members.

#### 4-H SMALL ANIMAL SALE AND STOCK SALE RULES

34. Animals eligible for sale: all market beef, goats, sheep, swine, poultry and rabbits owned by eligible 4-H members, meeting weight requirements and receiving a blue or a red ribbon in the official quality grading. White ribbon animals will not be sold through the 4-H Small Animal or Stock Sales. All animals in the 4-H Small Animal Sale or Stock Sale must be shown as provided in Rule 14 of the 4-H Livestock Exhibits rules. In order to sell an animal, the animal must be able to be handled by the member in a responsible and safe manner. Rabbit and Poultry meat pens will be sold at the Small Animal Sale on Saturday, August 28. Swine, Beef, Sheep, and Goats will be sold at the 4-H Stock Sale on Sunday, August 22.
35. No more than two 4-H market animals (excluding market rabbits and market poultry) can be sold by a 4-H member in any given year at the 4-H Stock Sale. Members must be present, or insure that another member is present on their behalf, to take their animal through the 4-H Small Animal Sale or Stock Sale. If no one is present with the animal at the appropriate time, then it will not be allowed to sell.
36. On market animals sold, the title to the animal will pass immediately on acceptance of final bids by the auctioneer, with possession taking place at scheduled loadout. 4-H'ers will care for the animals until their removal.
37. All 4-H members must be dressed appropriately while in the sale ring (see Guidelines - Section VI).
38. Sale order for 2021 is swine, beef, sheep, and goat. The order for the Small Animal Sale is Rabbit then Poultry
39. A sale charge will be deducted from all animals sold through 4-H Small Animal or Stock Sale.
40. Members must turn in their buyer thank you notes to their livestock leader and leaders must submit buyer thank you notes to the 4-H fair Office. Thank you buyer stall cards MUST be posted day of the sale.
41. No member, parent or leader shall approach a Small Animal or Stock Sale buyer after an animal has been sold at auction, to regain ownership of that animal. Any inquiries must be directed through the 4-H Office, No exceptions! Failure to abide by this rule may result in at least a 1-year suspension from selling any animal in the 4-H Small Animal Sale or Stock Sale.

NOTE: All work to be done by Club Members

## SECTION VI - 4-H LIVESTOCK EXHIBITOR DRESS GUIDELINES

To enhance the image of the 4-H program and its participants, the following guidelines have been implemented. Members are expected to wear safe, appropriate clothing/footwear whenever working with animals or on barn duty.

In addition the following must be observed whenever exhibitors are in the show ring and during the 4-H Small Animal or Stock Sale. Emphasis is on safely presenting a clean, neat appearance, not expensive clothing.

1. Shirt or blouse may be short-sleeved or long-sleeved, but must have a collar (no t-shirts or sleeveless blouses). Rabbit and poultry exhibitors must wear a long-sleeved shirt or a blouse.
2. Full-length slacks/pants/jeans are appropriate (no grubby, worn-out jeans).
3. Boots, hard-soled or tennis shoes must be worn for safety reasons (no sandals, flip flops, or open-backed shoes, etc.).

4. Caps or hats are not permitted while showing animals indoors. (When showing outdoors, caps or hats may be worn at the judge's discretion.)
5. At no time will decorating of exhibitors or animals by means of costumes, signs, etc. be tolerated. (Club shirts/vest okay.)
6. All dairy and dairy goat project members will wear white clothing to fit and show. (Pet, Pack and meat goats will follow general 4-H Livestock Exhibitor Guidelines.)

Remember, to gain the respect and support of other people, you must earn it through the way you act and the pride you take in your personal appearance. Any questions on appropriate attire should be directed to the Extension Office.
