If you have a Pinto with more Paint/Quarter Horse qualities, then Stock would be best for you.) **THERE IS NO CROSS ENTRY BETWEEN ALL BREED, STOCK AND NON-STOCK.** (If you sign up for Stock Type Halter you would then ride in the Stock Type Performance Classes.) Ranch Class Overview:

Ranch Horse Halter: Horses to be judged on type, conformation correctness, and athletic ability with the all-around equine in mind. Horses not to be penalized for brands or scars. To be shown in a good working halter, rope, braided, nylon or plain leather.

Ranch Horse Showmanship: Judged strictly on the exhibitor's ability to fit and show a horse, horse is merely a prop to demonstrate the ability and preparedness.

Ranch Rail Pleasure: Rail classes judged on the horse. May be shown at walk, jog, extended jog, lope and extended lope on the rail to both directions.

Ranch Riding: Horse will work both directions of the arena and will work individually; performing both required and optional maneuvers. Required maneuvers include walk, jog and lope both directions and the extended jog and extended lope at least one direction as well as stop and back. Three optional maneuvers may include a side pass, 360 turn or more, change of lead (simple or flying), walk, jog or lope over a pole(s) or some reasonable combination. Class judged on the performance, athletic ability and condition of the horse.

Ranch Horsemanship: Each rider will work individually to show their ability to execute, in concert with their horse, a set of maneuvers prescribed by the judge. Pattern will be posted and the following maneuvers are acceptable in the pattern: walk, jog, lope, extended jog in a straight line, curved, serpentine, figure 8 or a combination of these gaits and maneuvers; stop, back in straight line, curved line, turn or pivot, including spins and rollbacks on the haunches and/or forehand, side pass, two-track or leg yield, flying or simple lead changes, counter-canter or any other maneuver, or ride without stirrups. A back will be asked for at some point of the class. Exhibitor may show more than one horse.

Ranchmanship: the purpose of this class is to bring forth the versatility in both horse and exhibitor, in the task of performing 1 of 6 ARHA (American Ranch Horse Association) designated patterns, constructed of both Ranch Trail obstacles and Ranch Reining obstacles. Horses are to work individually. Horses will be scored 0-100 with 70 denoting average.

Ranch Reining: This class denotes the ability of the ranch horse to be reined willfully through all maneuvers of the patterns. There are ten ARHA approved patterns that can be selected from to use. Contestant should not be

penalized for reining their horse through the pattern in a reasonable manner. Stops should be hard and deep as if needed to stop and go in the other direction. Stop should be square and done without resistance (it should be at the judge's discretion on what he/she considers an excessive slide. Excessive stops beyond 10 feet should be minus in ½ point increments. Turn arounds should be those of a working horse, they should be correct and job efficient.

Ranch Trail: This class will be judged on the performance of the horse over obstacles with emphasis on manners, response to the rider and quality of movement. Credit will be given to horses negotiating the obstacles with style and some degree of speed, providing correctness is not sacrificed. A minimum of 6 obstacles are required and may include: gate, stationary steer to rope, mail box, slicker, water hazard, log drag, "L" shaped back through, ground tie, side pass, obstacle containing 4 logs, logs, obstacles containing cones or any other safe and negotiable obstacle which could be found on the trail.
