### ACKNOWLEDGEMENT OF SHOW AND SALE RULES as a Parent or Guardian on behalf of my exhibitor:

1. My submission of a livestock entry expressly binds me to all terms and conditions contained in any and all parts of the North Idaho State Fair Youth Stock Show and Sale Rules and Regulations to include but not limited to consent to drug, steroid, or tissue tests and insertion of a microchip or ear tag for identification as a condition of entering the North Idaho State Fair.
2. I acknowledge that it is my responsibility to obtain a copy of the North Idaho State Fair Youth Stock Show and Sale Rules, and to attend the mandatory Livestock Exhibitor Meeting to understand all general rules as well as specific rules pertaining to the project areas in which I am exhibiting. Failure to read or understand the North Idaho State Fair Youth Stock Show and Sale rules will not constitute an excuse, should a violation occur.
3. I understand that it is my responsibility for all additional project completion requirements to be met for the corresponding program I am enrolled in, or I may be ineligible to register for the same class the following year.
4. As a livestock exhibitor, I have completed a satisfactory Quality Assurance Training. Myself and my parents/guardians agree that we are responsible for the care and custody of our animals in preparation for and while at the North Idaho State Fair. Any animal not receiving proper care as outlined in the NISF YSSS Rules and Regulations, may be subject to immediate disqualification and removal from the grounds, and exhibitor may forfeit any awards, premiums, sale proceeds, and/or be banned from future registration to show at the NISF.
5. I have disclosed all medications, vaccinations, injections, medical treatments, and all other foreign substances administered to my exhibit animal(s) by myself or others on the required Animal Husbandry Form. **Each individual market animal must have its own Animal Husbandry Form.**
6. My animal has not been maintained at a professional fitter's facility and has been in my continuous ownership since the deadline for possession and ownership at initial weigh in date for my animal, and I have been directly responsible for the care and feeding of my animal(s).
7. Animals declared as "no sale" will exhibit in a Progress class and are ineligible for the Market Sale.
8. I am responsible for adhering to withdrawal times on all drugs administered to my animal; only giving my animal FDA approved drugs; and keeping my animal free of illegal drugs prior to and during the North Idaho State Fair. I also understand that listing any substance on this form that violates the NISF YSSS Rules and Regulations does not release me from the penalties associated with the violation.

This document is my declaration of intent to exhibit my animal at the North Idaho State Fair in the Youth Stock Show but NOT participate in the Youth Stock Sale.
