

# 2023 YOUTH MARKET LIVESTOCK SALE

Buyer registration - 8am  
Sale begins - 9am

# Welcome to the 2023 Youth Market Livestock Sale!

We're excited to have you here for what we hope will be another very successful sale benefiting youth livestock exhibitors from Kootenai and Shoshone counties.

Payment is due and expected the day of the auction. Payments may be made using cash, check or credit card (a service fee will be added for credit card payments). Payment arrangements may be made with checkout personnel for corporate accounts only.

Please make checks payable to : Youth Stock Show and Sale (YSSS)

**GRAND AND RESERVE CHAMPION ANIMALS: All Grand and Reserve Champion large animal livestock species will be harvested and inspected at a USDA processing facility.** Buyers may choose to have their animal processed there or at another processor of their choice. The carcass will be moved at the committee's expense should a buyer wish to have it processed at another facility. There will be no charge to the buyer for the USDA inspection.

## 3 Ways to Buy:

- 1. Custom Slaughter** - The most popular way to buy, you purchase an animal at the sale and select a custom meat processor (representatives from local processors are in the hospitality tent). You will work with your processor to select cuts and other options. Besides obtaining top quality meat, you'll also be supporting a local youth exhibitor.
- 2. Take Out** - Buyers may purchase animals (except Grand and Reserve Champions) "on the hoof". Buyers must make arrangements to pick up their animals the evening of Sunday, August 27th.
- 3. Turn** - This is a great option for businesses or individuals to support the sale without taking any animals or meat home with them. The buyer will indicate "TURN" at the time of the winning bid and the animal is purchased by our floor buyers at the posted price. The buyer then only pays the difference between their bid and the posted turn price.

## Support/"Add On" Money - add support money to individual exhibitors:

1. Support money must be paid at time of pledge - you will not be billed.  
Please fill out an "add on" form at the registration desk for sale day add-ons.
2. Support monies can be added online at any time for up to a week after the conclusion of the auction. Scan the QR code to add money online.

All added support money will be included on exhibitor's sale proceeds check.

## Ribbon Placing

### Blue Ribbon

- High quality
- Very desirable carcass (very little fat trim)

### Red Ribbon

- Average quality
- Good carcass (moderate fat trim)

### White Ribbon

- Fair quality
- Carcass may lack ideal finish (may be over lean/fat)

# Beef

# 2023 Average Daily Gain Winners

The Average Daily Gain (ADG) contest was developed to encourage and reward good choices in animal genetics, feed programs and animal care. To be considered, the ideal finished animal should fit within industry weight standards as reflected in the Youth Stock Show and Sale minimum and maximum weights. The Average will be considered from official weigh in dates until official show weight is established. Pounds gained divided by number of days equals average daily gain. In the case of a tie, the animal with the highest placing in the quality judging will be determined the winner.

## Congratulations!

### Beef

1st Place: Aiden Pritchett  
2nd Place: Sammantha Funke  
3rd Place: Samantha Spraker

### Sheep

1st Place: Lorelei Chafe  
2nd Place: Alex Mertens  
3rd Place: Carson Hunter

### Goats

1st Place: Presley Willis  
2nd Place: Daniken Desens  
3rd Place: Fancy Bowlsby

### Swine

1st Place: Sabrina Collins  
2nd Place: Heidi Williams  
3rd Place: Addison Jolley
