GENERAL RULES

1. Entries can only be made in those projects for which the member was officially enrolled as a Kootenai/Shoshone County 4-H Member. Entries must be in the proper unit and entered into the fair by the deadline to be eligible for top overall awards. All entries must be made/grown during the project year.
2. A member may only enroll in two units of any given project during the current 4-H year; only one entry may be made in a class. Extra exhibits may be entered in Open Class.
3. Exhibitors, parents, and leaders are expected to conduct themselves in a responsible and sportsman-like manner at all times. Efforts are being made to insure that the Fair is an enjoyable experience for everyone.
4. To be fair eligible members must submit an Involvement Report on ZSuite by 5:00 PM on July 19, 2024.
12. Pet/Pack, and Breeding Goats may be shown with horns. All horns must be tipped, taped, or padded. Market and Dairy goats must be dehorned or polled or have scurs less than 2 inches long.
13. Members must exhibit their own project animal/fowl in quality judging, plus fit and show one animal/fowl from each livestock category (beef, dairy, goat, poultry, rabbit, sheep, swine) the member enters in the Fair. Any requests for exception must be made directly to the 4-H Department superintendent and are subject to review team approval (Extension 4-H Educator/Coordinator, 4-H Department Superintendent, one other 4-H leader and representatives from 2 other 4-H clubs). All market animals must be fit and shown unless excused as specified above, poultry and rabbits must show according to provisions noted in the Project Requirement Handbook.

4-H BUILDING/STILL LIFE EXHIBITS

5. Every 4-H Building exhibit shall have attached to it a 4 inch x 6 inch card (printed by the Extension Office) with first name and last initial of member, club name, project title, and member age division.
6. All exhibits (involvement reports, record books, posters, notebooks and displays) must meet the specifications set forth in the current Kootenai/Shoshone 4-H Project Requirements and its "Glossary of Terms". {This supersedes any conflicting exhibit specifications listed in project manuals or state level project requirements.}
7. Selected project areas will be interview judged. These projects have been identified with {Interview Judged} next to the project category listing. These projects will be delivered to the 4-H Exhibit Area for display by the Extension Office after judging is completed.

4-H LIVESTOCK EXHIBITS

11. If a member exhibits an animal during the Fair but then fails to complete all of the project completion requirements associated with that exhibit by the established deadlines, they will be ineligible to enroll in the same project area the following year. Should that member sell a market animal project during the Fair and then fail to complete all the project completion requirements they will not be eligible to enroll in that species area or any market animal project the following year.

AWARDS

14. The Danish award system will be used. All completed exhibits will be divided into three ribbon groups according to the quality of project work exhibited at the Fair. Blue ribbons indicate excellent work. Red ribbons indicate very good work. White ribbons indicate fairly good work. Incomplete exhibits will not receive awards or be displayed. Only completed exhibits receiving a blue ribbon will be eligible for top overall awards, which will be given at the judge's discretion. Unless otherwise noted, premiums are: Blue: \$7, Red: \$5, and White: \$3 plus Kootenai/Shoshone Farm Bureau adds an additional \$2 per 4-H premium.
15. Cash premiums will be paid out during the Fair: Saturday, August 24, 2024 - 4 pm to 7 pm and Sunday, August 25, 2024 - 11 am to 4 pm out of Building 8.
