- These LIMITED camping sites are filled first come first served, starting April 15, at 9am.
- Payment must accompany camping requests.
  - Personal delivery to the office with payment is the best option.
  - Payment by check is preferred.
  - Payment will be refunded if the campground is full.
- 20-amp service available but not guaranteed.
- A camping permit will be issued and must be displayed on the camper.
- You will receive one parking permit for each paid day, be sure to display this in your vehicle. The gate to the rural access road will be kept closed but not locked. If you should need to leave/enter when the gate is not manned, please be sure to close it behind you. Do what you can to not leave/enter during heavy traffic times (pre- and post-concert, auction, etc.).
- Sewer Dump Station will not be available during the Fair. There is a dump station downtown at 1125 West River Street.
- Your camping and parking paperwork will be available at the East Gate Volunteer Booth. If you drive in from Edward Street onto Charles Street, you will be able to pull over by the fence, near where the horse arena was located. Walk down to the building. They will connect with Joe to have him come down and direct you into your camping space. IF you arrive on a day when the booth is not manned, text Joe directly 715-864-2428. **This may take a little time, as he is very busy with many things at the fair.**
