

Name of Member _____ Age _____

4H Club/FFA Chapter _____ Grade in School _____

Project Goals & Planning

Please list at least two goals for your project this year

My goals for this year:	What I need to accomplish these goals:	Did I accomplish these goals? (Yes or No)

Where will you get your project (bred & owned, breeder)? What factors will you consider when selecting your project (breed, age, price, etc.)?

List a couple of potential buyers. _____

Please in a few sentences describe how you plan to approach these buyers:

Project Budgeting .

INCOME		
MAP Sale Animal Value		
Premiums/Awards		
Other		
Total Income		
EXPENSES		
Purchase Price of Animal		
Feed		
	Grain	
	Hay	
	Supplements	
Health Care/Veterinary		
Equipment (e.g. feeders, gates, pens)		

Grooming Supplies (e.g. clippers, soap)	
Fair Entry Fees	
Hauling/Transportation	
Advertising	
Other	
Total Expenses	
Profit or Loss (Total Income - Total Expenses)	

MAP Sale Animal Results					
Animal ID	Final Weight	Market Price	MAP Sale Price	Ending Market Value (A)	Ending Value from Sale (E)

Equations:

Ending Market Value=Final Weight X Market Price.

Ending Value from Sale= Final Weight X MAP Sale Price.

Market price per pound value can be obtained at the fair
