## Oakland County Fair Camping Rules and Regulations

1. Camping at the OC Fair is limited. First priority for camp sites will be for our exhibitors and to those groups that are necessary to provide the support to run the Fair. This includes Fairboard, superintendents, vendors and carnival personnel. Only after all camping requests have been filled will requests from the general public be considered.
2. CONDUCT POLICY: Anyone participating in an Oakland County Fair activity who, in the opinion of the Oakland County Fair Board is caught in the act of theft or vandalism or any other illegal act, is caught with illegal drugs, alcohol or marijuana, is under the influence of illegal drugs alcohol or marijuana or is involved in acts such as unsportsmanlike conduct, foul language, animal abuse or failure to follow the rules may be dismissed from the Fairgrounds. The offense may result in loss of current and/or future camping privileges. If the offender is an exhibitor, premium monies will be forfeited and all projects must be removed immediately and this may affect your eligibility to exhibit at future Fairs. If it is determined by the Oakland County Fairboard Director in charge of the activity that the offense warrants it, the offender may be turned over to the proper authorities. It is the responsibility of all adults on the grounds to report any infraction of these rules to a Fair Board member immediately.
3. Camping overnight at the Fair should be a positive learning experience. The following rules have been adopted by the Oakland County Fair Board to assist the 4-H leaders and parents in making this a pleasant experience for the youth involved.
4. Applicable State of Michigan and Oakland County Parks and Recreation rules and regulations relating to the use of this facility and camping shall apply in addition to the following:
5. OVERNIGHT OCCUPANCY: **All campers and their guests must be registered on a camping application.** All 4-H members and youth exhibitors age under age 18 staying overnight on the Fairgrounds must be under direct supervision of their parent or legal guardian. Exhibitors age 18-21 will be recognized as an adult on the campsite, but can only supervise immediate family members. However, exhibitors may remain with their 4-H Club Leader, with prior approval from the Oakland County Fairboard. Any 4-H Club Leader overseeing youth must maintain adequate supervision of all youth registered to their campsite. There is a four youth per supervising adult maximum ratio for each campsite permit.
6. QUIET HOURS: All campers must be in their campsite and keep noise levels low between 12:30 am and 6:00 am. All guests not registered on a camping permit are not allowed on the Fairgrounds between 12:30 am and 6:00 am.
7. CAMPING APPLICATION: Must be completed, signed by the adult responsible for the youth at the campsite, submitted with your Entry Form and total payment of fees to the Fair Office. Camp sites will not be assigned until the camping application has been received and fees paid.
8. ELECTRICITY/AIR CONDITIONING: Electrical campsites are limited to one per exhibitor family. Additional sites will be assigned if available. The Camping Superintendent will assign electrical/air conditioned campsites on a first come basis. If you are at a non-air conditioning site you cannot use air conditioning as this causes power equipment malfunctions (outages) that impact other campers and the grounds. There are a limited number of non-electrical sites available. The electrical camp sites do have limitations on what each camp site can run. Over usage of equipment (air conditioning, fans, microwaves, hairdryers, etc.) can cause electrical outages that affect other campers. Repeated overuse of appliances that causes outages may result in loss current and/or future camping privileges at Fair.
9. RESERVATIONS: Locations of campsites will be determined by size of unit, choice of electric or non-electric and air conditioning. All clubs, family and friends wishing to camp together should indicate on the preferred camping area on the Camping Application. These requests will be honored whenever possible but are not guaranteed.
