General Rules, Regulations, Fees and Information

All events, times and fees are subject to change.

The Oakland County 4-H Fair Association reserves to its Board of Directors the final and absolute right to interpret these rules and regulations and settle arbitrarily all matters connected with the Oakland County Fair. The Oakland County 4-H Fair Association will in no case assume responsibility for or pay for transportation on articles sent for exhibition or any expense in their delivery to the grounds. The Oakland County 4-H Fair Association will not be responsible for any losses, damage, or injury to any animals or articles exhibited. The 4-H Fair Association will not be responsible for any damage or loss of personal property. Each exhibitor will be responsible for his or her own personal property. Each exhibitor will be responsible for any injury that may occur to any person or property by an animal or vehicle owned, submitted or operated by said exhibitor.

ELIGIBILITY To be a youth exhibitor at the Oakland County Fair, you must be at least 8 years old on January 1, 2023 and can be no older than 21 years on January 1, 2023. An exhibitor need not to be enrolled in 4-H or a club to exhibit at the Fair.

Note these additional exhibitor groups:

- A. Tiny Tot Exhibitors (age as of January 1, of the current year) must be under 5 years of age to enter Department 94.
- B. Five to Seven-Year-Old Exhibitors (age as of January 1, of the current year).
 - 1) Five to Seven-year-old exhibitors may choose to enter a combination of competitive and noncompetitive classes. However, Five to Seven-year-old exhibitors may not enter in both the competitive class in a department and the corresponding noncompetitive class in Department 91.  - 2) Five to Seven-year-old exhibitors may choose to enter competitive classes within a department as offered. Competitive classes are placed by the judge and premiums paid. General Rules and Guidelines as well as Department Rules must be followed. These classes will be shown as Pre-Junior classes.
 - 3) Five to Seven-year-old exhibitors may choose to enter noncompetitive classes in Department 91, as long as they have not entered any competitive classes in the corresponding Department. Example: a Five to Seven-year-old exhibitor may enter the noncompetitive rabbit costume class but then would not be eligible to enter any of the competitive rabbit classes.
 - 4) Five to Seven-year-old Pre-Junior exhibitors are eligible to enter one specific Livestock Market class. See Livestock Auction rules.
- C. Exhibitors age 20-21 (age as of January 1 of the current year) may now exhibit in youth classes. Exhibitors age 20 and 21 may not enter a combination of youth and adult classes. Entries must be either 100% youth OR 100% adult classes. However, restrictions do apply:
 - 1) Each Exhibitor ages 20-21 must have been a Fair participant a minimum of two of the last four years.
 - 2) Horses: If any 20-21 year old Exhibitor enters a class in Department 16 or 17, they are not eligible to enter any class in Department 18, Adult Horses.
