## WHY KEEP RECORDS?

Keeping records on your project can be interesting and fun - not dull or boring.
Good records will:

- Help you learn about your dog, the time, care, food and cost they require.
- Help you plan future projects.
- Improve your training skills.
- Give you are record of your project activities.

Keep this record as a part of your Member's Personal 4-H Record, which provides space for a complete record of your $4-\mathrm{H}$ projects and activities. This information is helpful if you ever apply for 4-H scholarships.
