City Parks

Big changes are happening after a project was kicked off by the City of Stanton to spruce up the City Parks. With contributions

from City of Stanton, City of Stanton EDC, Old Sorehead Trade Days, and Parsley Energy the project is moving along. The updates will be completed soon.

The current progress on the upgrades have been a welcomed sight. Thank you to all those who helped make this possible!

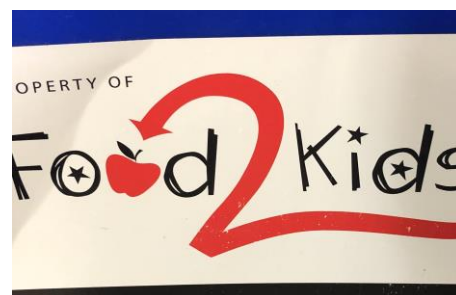

The Knights of Columbus and Los Carnales would like to thank everyone who came out and donated school supplies at the Back to School Bash!

Food 2 Kids Program

This year Martin County Food Bank will be serving 60 kids for the Food 2 Kids Program. The Food 2 Kids sends weekend bags of food to kids who are in need. Many children depend

on school lunches for food and this helps ensure they will not go hungry while not in school. Encana

has sponsored all the programs for \$7,000! The food pantry hopes to get the programs started in September and continues through the end of school year in May.
