

Artist Participation Guide

Check out these tips to help decipher the options for artist participation with Arts Walk!

Arts Market:

- Accepting Interest Forms for artist vendors now-June 6 at artswalkoly.com/p/registration.
- Spaces are limited and submission of an Interest Form does not guarantee a booth space.
- Outdoor market setting requires tents, tables, chairs, battery-powered lighting and display support, protection from the elements, etc.
- Arts Market participation requires that booths are staffed for the entirety of the 2-day event.
- Booth information included on the Arts Market webpage.
- \$60 fee required per 10x10 booth space, (can opt to split a space with another artist).

Hosting business/organization location:

- Registration opens June 10-July 15 at artswalkoly.com/p/registration.
- Indoor locations are protected from the elements.
- Work with a partnering location who opens their doors to host a featured artist(s) for Arts Walk. Arts Walk staff offers assistance to those seeking guidance on connecting with an event host.
- Explore ways to engage with attendees through art (i.e., artist reception, demonstrations, Q&A, workshops, collaborations, etc.).
- Featured artists are included in the print publication and listed on the Arts Walk website events calendar and venue event page.
