# Olympia Arts Walk Spring 2024

Spring 2024  
**Olympia Arts Walk**  
& Procession of the Species Celebration

Lions Mane by David Hoekje

**Community Arts Celebration**  
April 26-27

**About the Cover Art**  
Each Arts Walk, an artist is selected to create an original work of art to be featured on the event poster and highlighted in multiple ways. The spring 2024 cover art is titled "Lions Mane" by David Hoekje. His photograph of a lion's mane mushroom stems from his artistic interest in "the transformative nature of observation, the way that observing an object fundamentally alters it and in particular the way that photographing an object alters it." Learn more about David's artwork online, @hoekjephoto. Visit David and his work at the Thurston County Museum of Fine Arts (TCMoFA), map location #100, 509 4th Ave E.
