"Not just making music . . . making memories"

"We loved having Cale Moon at the Blaine County Fair & would love to have him back again. . .Cale's talent is amazing, but what is even more amazing is his positive, humble attitude, his level of professionalism & his great personality
Wendy Warburton; Blaine County Fair Manager

"Cale Moon was a great addition to our fair. Weeks after the fair, we were still receiving calls...raving about how much they enjoyed his show... people drove in from over 100 miles away to see him perform...Cale & management were a joy to work with! We would highly recommend him for any fair
Bridget Wilson; Marketing & Sponsorship Coordinator, Larmie County Fair
