“PRESERVING YOUR FAIR”

## Fair Management Services

FairBridge is a company that brings over 160 years of experience in fair production and management together in order to preserve the tradition of your county fair. We will use our years of experience and ability to connect key industry providers, to successfully manage all contracted aspects of your fair. Our team will focus on producing the fundamental business components and profit centers of your fair which allows you and your fair board to focus on producing the essentials that tie your county fair to your community, 4H, FFA, home arts, local contests, etc.

Our ultimate goal is to provide your fair a path to fiscal sustainability while giving your fairgoers a quality fan experience.

# FAIRBRIDGE

“FAIR PROFESSIONALS WORKING ON YOUR BEHALF TO PRESERVE YOUR FAIR FOR YEARS TO COME”

## Fundamental Services

FairBridge would be responsible for acquiring and managing top quality contractors in the following areas:

- Food & Beverage Services
- Carnival
- Entertainment
- Tents / Infrastructure
- Admissions & Ticketing
- Security
- Sanitation & Janitorial
- Parking
- Marketing
- Accountability
- Consumer Safety Services

## We take on the tough stuff

FairBridge takes on the risk and has a proven track record of working cooperatively with county health departments, fire marshals, code enforcement, law enforcement, liquor control commissions, and occupational safety & health administrations.

We also ensure that all our contractors have general liability policies in place that cover all their contractual responsibilities. FairBridge also carries our own liability for all services that we provide.

## Successful Futures

With the ultimate goal of guiding a fair to sustainability and growth on its own, FairBridge is committed to providing hands-on training to your fair management staff, be it existing or potential new-hires.

FairBridge reimagines your fair to provide the best entertainment value for its patrons. We create road maps for future fairs and your management teams so that when the time is right, you can resume operations and be profit centers for your county.
