BEEF CATTLE

- Exhibitors entering open classes in this division should familiarize themselves with the General Rules and Regulations and Livestock Entry Rules of the Ozark Empire Fair.
- Exhibitors entering junior classes should familiarize themselves with Junior Show Rules, General Rules and Livestock Entry Rules before completing entry.
- Junior shows are open to all youth who are 8 years of age as of January 1, but not over 21 years of age as of January 1. Entries from in-state and out-of-state exhibitors will be accepted in the junior shows of all OEF breeding beef divisions with the exception of the Supreme Beef Heifer Show. To be eligible for the Supreme Beef Heifer Show, the exhibitor's primary residence must be in one of the following counties: Barry, Barton, Bates, Benton, Camden, Cedar, Christian, Dade, Dallas, Douglas, Greene, Henry, Hickory, Howell, Jasper, Laclede, Lawrence, McDonald, Miller, Morgan, Newton, Ozark, Polk, Pulaski, St. Clair, Stone, Taney, Texas, Vernon, Webster and Wright. Entries outside of the counties listed above will be accepted for the junior show and are eligible to compete for grand and reserve grand champion, but they will not be eligible to compete for the Supreme Heifer Awards. Should entries from outside of the counties listed be selected as grand champion and/or reserve grand champion in a breed, a grand and/or reserve grand champion will be selected from the southwest region that represents the counties listed as eligible to represent such breed in the Supreme Heifer Drive.
- A Grand Champion and Reserve Grand Champion Bred & Owned Female will be selected during the Supreme Heifer Drive. Grand Champion Bred & Owned Female will receive \$1,000, Reserve Grand Champion Bred & Owned Female will receive \$500. Females can compete in both the Supreme Drive and Bred & Owned Champion Drive and receive awards in both divisions.** (Braunvieh & Santa Gertrudis will not be eligible for Supreme Drive).
- There is no cap on the number of breeding beef divisions a junior exhibitor may show in or how many entries they can qualify to compete in the Supreme Drive or Bred & Owned Championship Drive. However, an exhibitor will only be eligible for one premium in the Supreme Drive and one Bred & Owned Championship Drive. Heifers will be picked until five different exhibitors in the Supreme Drive and two different exhibitors in the Bred & Owned Championship have been selected to pay premiums. For example, an exhibitor could win Supreme, Third and Fifth but will only be paid for Supreme and additional six, seven, eight or more heifers may have to be selected until five separate exhibitors receive an award.**
- In order for a beef division to be eligible for the Supreme Drive and Bred & Owned Awards, a \$500 contribution will be required of each breed. This payment is due in the OEF Livestock office on or prior to June 15. The \$500 will be distributed as follows: \$250 will be awarded to the breed grand champion and \$250 will be awarded to the breed's bred and owned grand champion. Breed grand champions & bred and owned grand champions must be shown in the Supreme Drive and/or Champion Bred & Owned Drive in order to receive the \$250 award. Otherwise the award will be presented to the reserve breed champion. Should a breed's grand champion be selected as a top five female and/or Grand or Reserve Grand Champion Bred & Owned, \$250 will NOT be awarded on top of the supreme winnings. Any exhibitor who resides in the state of Missouri will be eligible for the bred and owned award in each breed, but will not be eligible for the Supreme Drive unless primary residence is in one of the counties listed in #3 above. A breed may elect to contribute \$250 to the bred & owned grand champion and not the \$250 for the breed grand champion and vice versa. However, breeds who elect not to contribute funds to the breed grand champion and/or bred and owned champion will not be permitted to compete in the Supreme Drive and/or Bred & Owned Champion Drive. In addition, the \$250 bred & owned award will not be presented unless sponsored. Checks should be made payable to the Ozark Empire Fair Foundation.**
- All entries are to be made online at www.ozarkempirefair.com. Entry forms may be printed or picked up at the Ozark Empire Fair Office. (paper copies come at an extra fee)
- Each animal must have correct registration papers, health papers, tattoos and/or identifying marks recognized by respective breed associations. These will be checked against the information given on the entry form.
- All cattle will be bedded with material provided by the Ozark Empire Fair. NO OTHER BEDDING MAY BE USED. Exhibitors are responsible for tie-out bedding.**
- SEE SHOW RING CODE OF ETHICS IN LIVESTOCK ENTRY RULES.**
- Entries close **June 15** and those mailed must be postmarked no later than midnight of this date. Late entries may be accepted through July 1. Entries postmarked after midnight **June 15** and through midnight July 1 must be accompanied by the late fee of \$40.00 per head in addition to regular fees.
- Stalls and location in the barns will be designated only by the division superintendent. **Cow/Calf entries must purchase calf stall if calf is not entered individually.**
- Animals shall be brought to the barns by 9 a.m. each day and remain in the barns, except when showing, until tie-out time at 7 p.m. Tie-out space (three feet) per head is provided. No tie-outs permitted in the trailer lot area.
- GROOMING CHUTES:** Exhibitors may pay a \$20 charge for a grooming chute space with their stall assignments, if room permits. **Please indicate on entry blank if you are paying for a grooming chute space.** Exhibitors who do not choose to pay for a chute space will be allowed to have a grooming chute in the barn or proximity of the barn on show day only. Chutes are to be used only in assigned stalling and make-up areas. Any chutes outside this area are subject to removal and exhibitor will be fined \$25.
- NOSE RINGS:** All bulls born prior to 2022 must be shown with a nose lead.
- Calves on cow/calf pairs are eligible to show in individual classes if allowed in their respective breeds. Must be entered and additional entry paid by entry deadline.
- Cow/calf pairs will be considered as two head in group classes. Calves must be registered and tattooed.

JUNIOR SHOW PARTICIPATION STATEMENT FROM THE AMERICAN ANGUS ASSOCIATION

- The American Angus Association®, 3201 Frederick Avenue, St. Joseph, Mo., will participate in premiums offered in individual classes for junior Angus heifers, as included in its standard show classifications, according to the premium schedule based on the number of head shown. The premium assistance provided by the American Angus Association for participation in this show is in addition to the premiums offered by the show itself. The premium assistance should not be used to offset show expense and shall be included in the premium payments distributed by the show to the exhibitors.
- A minimum of fifteen (15) head must be shown in the junior Angus heifer classes to receive American Angus Association premium participation. The show is not required to have all classes to be eligible for premiums.
- Separate classes for bred and owned heifers may be held if the size of the show merits a separate class.
- To be eligible for Association premiums the entries must be recorded in the sole name of the junior exhibitor and the issue date on the registration certificate must conform to the individual show's requirements regarding ownership. The Association's contribution is included in the total premiums listed in each class.
- Premiums from the Association are paid only to registered Angus cattle and only if the registration number is a part of the show report provided to the Association. Therefore, all cattle should be registered at the time of entry to make certain they receive the Association's portion of premiums. The Association does not pay on premiums offered in championship classes. An animal may only be counted one time toward the total count for premium participation by the Association.
- Exhibitors must have the original registration certificate issued by the American Angus Association available for inspection at the show for each animal or another current proof of ownership issued by the American Angus Association pedigree look up. Any animal, upon check-in, which does not have a legible permanent identification mark (ear tattoo marks, freeze-branded marks or hot-branded marks) corresponding to the permanent identification mark on the registration certificate, is ineligible to show. Once disqualified due to an incorrect or illegible permanent identification mark, animals cannot be re-identified (tattooed/branded) and rechecked at the show.
- Any female shown with a calf at side: the calf must be the cow's most recent natural calf, and the calf must be registered by show day and have proof of registration at check in.
- Only one person at a time shall lead an animal into the show ring.
- *Exhibitors who participate in shows that accept premium monies contributed by the American Angus Association are subject to the Association Rules as found in the Breeders Reference Guide of the Association. These rules are found in Part 2; Association Rules. The rules relating directly with the exhibition of Angus cattle are Part 2: Association Rules; Rule 800 Series; including Rule 800 - 810. These rules can be found at www.angus.org.*
- Altering the conformation and/or appearance of an animal for exhibition is prohibited. This includes the use of chin straps, covering of white skin, false tail heads (or use of any false hair), with the exception of false tail switches. The use of graphite, powders, hemp or other similar substances used externally are also prohibited. Other prohibited products include those used internally such as steroids, illegal or unlicensed pharmaceuticals or artificial filling. Any animal found to be in violation will be barred from showing.
- At any show for which the American Angus Association appropriates funds toward the payment of premiums, no exhibitors, individuals assisting exhibitors or member owners at such show shall be allowed to use any coloring agents, on any animal exhibited. The Association may adopt and implement various tests designed to monitor this prohibition, including but not limited to a "white towel" or "white glove" test. No aerosol cans or other pressurized containers will be allowed in designated line up areas.
- All animals exhibited are subject to DNA marker or blood type test to verify accuracy of parentage as covered under the Association Rules and for other testing as required by the individual show.
- Authorized representatives of the Association have the authority to enforce the rules set forth herein as well as in the Association Rules, including the barring of a registered animal from a livestock show at which it is to be shown, if there are reasonable grounds to believe a violation has occurred.

ARRIVAL: Must be in place by 10 a.m., Thursday, July 28. No arrival prior to noon, Tues., July 26.

RELEASE: 5 p.m., Sunday, July 31.

All animals to be eligible may be approved by a sifting committee designated by the AICA. Stall space will not be provided for any Charolais cattle that have not been accepted by the sifting committee.

All animals are subject to a medical examination in order to determine age, and each animal will be present in the show ring in its natural conformation without alteration or modification. Use of artificial tailheads is not permitted.

North American Limousin Foundation - Standard Rules & Regulations for the Exhibition of Limousin and Lim-Flex® Cattle - Level II

1. Animals must be registered with the North American Limousin Foundation (NALF).

Purple-papered Lim-Flex cattle as indicated by NALF registration certificates. Percentage, fullblood, purebred and Lim-Flex cattle shall compete in the same classes and championships.**
3. If a show does not abide by the NALF MOE show rules exhibitors will not be awarded points for that show.
4. Animals must be properly tattooed and will be inspected at the show. Tattoos must be legible and match the registration certificates. If an animal's tattoo is not legible or cannot be read upon initial processing, it will be ineligible to show and not be allowed to return with a new or corrected tattoo.
5. To maintain a high degree of confidence in Limousin shows NALF reserves the right to disqualify any animal that has been fitted in an unethical manner. Unethical fitting shall include the following:
 - a) Any use of paints, colored show foam, graphite, colored powders or other substances; animals may be subject to a white-towel test;
 - b) The addition of any hair or hair like substances, including false tail heads and false polls (false tail switches are allowed);
 - c) The cutting, tearing or gluing of the hide or underneath the hide or removal of tissue in an attempt to alter the shape of the animal or the injection of any gas, solid or liquid under the hide to alter the normal conformation;
 - d) Any products, solutions or liquids administered internally or externally to alter the conformation of the animal is prohibited. That includes the use of steroids, growth stimulants and the act of artificially filling animals internally, which would include stomach pumping, drench tubes or any other method.

EXCEPTION: In the case of severely sick or dehydrated animals, the exhibitor may have fluids or electrolytes administered by the licensed official show veterinarian with the approval of the show superintendent or a NALF representative. That exception is not applicable on show day or weigh-in/check-in day.
6. Bulls older than one (1) year must show with a nose lead. The Limousin show superintendent and the show management reserve the right to disqualify animals deemed unmanageable.
7. Protests against exhibitors, individual animals or fitting violations must be submitted in writing, signed by five (5) active members of the NALF and presented to the show superintendent within 12 hours of the show's completion.
8. NALF reserves the right to mouth animals for dental development.
9. NALF reserves the right to collect hair samples from any animal.
10. Class size shall be to the discretion of the show superintendent and may not contain more than 20 head. The given classes may be split or combined only within their given division.
11. Calves exhibited alongside dams in the cow-calf division are not eligible to show as individuals.

Credibility Requirement:

To maintain a high degree of integrity and credibility in all Limousin shows, all owners and exhibitors are expected to adhere to all NALF rules and regulations regarding the exhibition of Limousin cattle and to adhere to rules and regulations of particular shows, fairs and exhibitions.

3. All animals accepted for exhibition in an SGBI sanctioned show are subject to inspection at each show between arrival on grounds and prior to entering the show ring. The inspection will be conducted by a committee comprised of two (2) members of the Shows and Exhibits Committee and one (1) from the Breed Standards Committee.
4. Heifers 24 months of age or older must have produced a calf or be safe in calf as verified by a graduate veterinarian. If animal is open due to being in an embryo transfer program, this fact must be verified by a written statement signed by a licensed embryo technician.
5. A cow shown with calf at side: Calf must be her natural calf meeting the Standard of Excellence. Calf must be registered if older than thirty (30) days. If calf is less than 30 days of age it is subject to registration.
6. All senior bull classes (late junior yearling bull and over) must have either a nose ring or a nose clip for show purposes.
7. All animals must be individually identified by tattoo and/or numerical fire or freeze brand.
8. To be eligible to compete in SGBI approved junior shows, animal(s) must be recorded in the name of the junior member. This recorded junior must feed, fit, care for, and show the animal entered. *Ownership deadline is April 7 for all animals born May 1 and thereafter and November 1 for all other animals.*
9. All animals must be exhibited with the hair brushed down on the entire body, legs, and tail with no foreign objects attached to the animal in a manner as to alter the animal's conformation or change its appearance. ***Exhibitors failing to abide by this rule will not be allowed to show.** *Specifically, all hair must be brushed down slick; head clipped smooth; underline clipped blending sides; udder and teats clipped with no long hair to emphasize udder; ears clipped as to environmental and local standards; neck and brisket clipped; body clip using common sense as to season; leg hair clipped (no steer or Brahman clips) and do not leave long from hock or knee to hoof; tailhead clipped; pull switch or brush out (no ball, etc.); trim tail (no shear except back side). Fitting handbook should be studied.*
10. Each animal exhibited must be exhibited with the correct age and shown in the class corresponding with their correct age. SGBI reserves the right to tooth animals without prior notice to the breeders in order to verify age of cattle.
11. Entries in each class will be placed 1, 2, 3, etc. Animals are to be presented in descending order according to age.
12. Polled classes *will be entered at the same time as class entries are required by each show.* Animals will be lined up according to age for the judge.

14. There must be at least five (5) exhibitors and twenty-five (25) head of cattle, or minimum of fifty (50) head of cattle, to constitute a recognized Santa Gertrudis Show.
15. In all shows in which fifty (50) head or less are entered, all early and late classes may be combined at the discretion of the show officials.

17. The judge **must** be an SGBI approved judge.
18. Dress for exhibitors participating in SGBI sanctioned Open and Junior shows shall be of neat and clean clothing of collared shirts with sleeves, belts, no midribs showing and appropriate footwear—no tennis shoes. Exhibitors may wear hats or go bareheaded -- no caps.
19. Juniors showing in open shows is allowed and encouraged. Entry must be shown by the owner or immediate family member (sister, brother, mother, father, grandparents, legal guardian). No animal may be fitted or shown by any open exhibitor at any time during the junior's ownership period. An exception is transportation feed and care to a show may be allowed. *Refer to junior ownership rules.*
20. Each animal shall be presented in the show ring in its natural conformation and structure **without** alteration or modification. Alteration or modification shall be defined to include any surgical, chemical, electrical, pharmaceutical or other appearance change, save only branding, tattooing, foot trimming or dehorning. Additionally, no pumping or filling of an animal with a liquid, diuretic or any other substance is allowed. **ALL** animals and exhibitors found to be in violation of this rule will be banned for life from showing at SGBI approved shows.

21. If entries are not properly fitted and good herdsmanship followed, the owner may be asked to not display their cattle until adhering to the proper procedures as outlined in our herdsmanship paper.
22. Every exhibitor, in consideration of his/her entry being accepted, agrees to submit any animal so entered by him/her to inspection and agrees to have such animal submitted to any tests as may be designated and requested by the Shows and Exhibits Committee, or the authorized representatives of the relevant show or fair, and agrees that the conclusions reached by the committee/representative as to whether such animal is unethically fitted or over age, shall be final, without recourse, against SGBI and designated personnel. Any false representation, interference or unprofessional conduct on the part of any exhibitor will be dealt with by the Shows and Exhibits Committee according to the equities of the case.
23. Any person who furnished the birthday of an animal to SGBI either on the IPRA or some other document (whereby that birthday information is transferred to the registration certificate) and that animal is exhibited in an SGBI approved show with an incorrect age and the age determined by the SGBI designated veterinarian exceeds the age listed on the registration certificate by more than thirty (30) days, the person furnishing the birthday above and such person furnishing said information to SGBI for inclusion on the registration certificate shall be barred from showing in an SGBI approved show for a period of six (6) months for the first offense, one (1) year for the second offense and for life for the third offense. However, the animal, if transferred to another owner, may be placed in the correct class and be show again.
24. For and in consideration of the opportunity to participate in any SGBI approved show, each exhibitor hereby releases SGBI, its officers, directors and representatives from negligence, any and all claims, suits and judgments, either past, present or future, arising from or connected with the administration or use of such test or examination and the resulting decision there from.
25. Any exhibitor desiring to dispute or challenge the results of any test, exam, or show rule enforcement, as applied to his/her animals, shall do so in accordance with procedures established by the rules of the association.
26. **APPEALS:** Procedures available in show office upon request.
27. **PROCEDURES TO FILE PROTEST:** Procedures available in show office upon request.
28. Failure to adhere to each show's specific rules shall also be subject to these penalties. Proper protest procedures must be adhered to according to that particular show's rules. SGBI will follow each show's rules, and any action taken by a show will be upheld by SGBI in relation to its bearing on our point show system.
29. **DISQUALIFICATIONS:** An exhibitor who has been disqualified from competition in any livestock show or has had a premium withheld or withdrawn on the grounds of rule violation(s) will not be allowed to compete in other shows. This shall include, but is not limited to, disqualification for fraud, misrepresentation, unethical fitting or deception. Judging procedures will not be interrupted for protest investigation; and depending on the basis of the protest, a decision may be withheld until a thorough investigation is completed. No complaint or appeal that a judge over-looked an animal will be considered. If any exhibitor, in any way, whether in person or by their representative, interferes with the judge (s), or shows any disrespect to them or to show officials, the existing show officials may excuse him/her from the ring and exclude them from further competition; exhibitor premiums that may have been awarded may also be withheld. If an animal is disqualified after having won awards or premiums, the animals placing below him/her may be moved up (at the option of the Shows and Exhibits Committee) to fill the vacated position.
30. **RULES FOR HIGH POINT AWARDS:** For each point show, first place class winner will receive 2 points; second place class winner receives 1 point; Division Champion receives 3 points; Reserve Division Champion receives 2 points; Grand Champion receives 5 points and Reserve Grand Champion receives 4 points; Best of Polled receives 1 point but does not count toward overall points. Get of Sire and Produce of Dam points go toward Exhibitor/Breeder of the Year Awards. Points will stay with animal if sold. The Sire and Dam of the Year should have points from at least two (2) different offspring. All points earned at the National Open Show are to be doubled.
31. **CONDUCT IN THE SHOW RING:** If any exhibitor/owner/showman interferes in any way with the judge or shows disrespect to him, or to the show in the ring, the exhibitor/owner/showman may be dismissed by the judge or show management from the ring. The management may withhold from each exhibitor/owner/showman any premium monies that may have been awarded or take other steps deemed desirable.
32. **DNA TEST ON QUESTIONABLE ANIMALS:** Santa Gertrudis Breeders International and its representatives reserve the right to require any test deemed necessary to verify the accuracy of an entry, classification and/or the pedigree of exhibited Santa Gertrudis animals, including calves exhibited at the side of a Santa Gertrudis female.
