

90TH ANNUAL OZARK EMPIRE FAIR

BEEF HANDBOOK

BEEF CATTLE

Superintendent : Matt Crutcher 417-766-3278

1. Exhibitors entering open classes in this division should familiarize themselves with the General Rules and Regulations and Livestock Entry Rules of the Ozark Empire Fair.
2. Exhibitors entering junior classes should familiarize themselves with Junior Show Rules, General Rules and Livestock Entry Rules before completing entry.
3. Junior shows are open to all youth who are 8 years of age as of January 1, but not over 22 years of age as of January 1. Entries from in-state and out-of-state exhibitors will be accepted in the junior shows of all OEF breeding beef divisions with the exception of the Supreme Beef Female Show. To be eligible for the Supreme Beef Female Show, the exhibitor's primary residence must be in one of the following counties: **Barry, Barton, Bates, Benton, Camden, Cedar, Christian, Dade, Dallas, Douglas, Greene, Henry, Hickory, Howell, Jasper, Laclede, Lawrence, McDonald, Miller, Morgan, Newton, Ozark, Polk, Pulaski, St. Clair, Stone, Taney, Texas, Vernon, Webster and Wright.** Entries outside of the counties listed above will be accepted for the junior show and are eligible to compete for grand and reserve grand champion, but they will not be eligible to compete for the Supreme Female Awards. Should entries from outside of the counties listed be selected as grand champion and/or reserve grand champion in a breed, a grand and/or reserve grand champion will be selected from the southwest region that represents the counties listed as eligible to represent such breed in the Supreme Female Drive.
4. A Grand Champion and Reserve Grand Champion Bred & Owned Female will be selected during the Supreme Female Drive. Grand Champion Bred & Owned Female will receive \$1,000, Reserve Grand Champion Bred & Owned Female will receive \$500. Exhibitors residing in the state of Missouri are eligible to compete for the Bred and Owned Female Awards. Females can compete in both the Supreme Female Drive and Bred & Owned Champion Drive and receive awards in both divisions if residence requirements specified above are met for the Supreme Female Drive.
5. There is no cap on the number of breeding beef divisions a junior exhibitor may show in or how many entries they can qualify to compete in the Supreme Drive or Bred & Owned Championship Drive. However, an exhibitor will only be eligible for one premium in the Supreme Drive and one Bred & Owned Championship Drive. Females will be picked until five different exhibitors in the Supreme Drive and two different exhibitors in the Bred & Owned Championship have been selected to pay premiums. For example, an exhibitor could win Supreme, Third and Fifth but will only be paid for Supreme and additional six, seven, eight or more females may have to be selected until five separate exhibitors receive an award.
6. In order for a beef division to be eligible for the Supreme Drive and Bred & Owned Awards, a \$500 contribution will be required of each breed. This payment is due in the OEF Livestock office on or prior to June 15. The \$500 will be distributed as follows: \$250 will be awarded to the breed grand champion and \$250 will be awarded to the breed's bred and owned grand champion. Breed grand champions & bred and owned grand champions must be shown in the Supreme Drive and/or Champion Bred & Owned Drive in order to receive the \$250 award. Otherwise the award will be presented to the reserve breed champion. Should a breed's grand champion be selected as a top five female and/or Grand or Reserve Grand Champion Bred & Owned, \$250 will NOT be awarded on top of the supreme winnings. Any exhibitor who resides in the state of Missouri will be eligible for the bred and owned award in each breed, but will not be eligible for the Supreme Drive unless primary residence is in one of the counties listed in #3 above. A breed may elect to contribute \$250 to the bred & owned grand champion and not the \$250 for the breed grand champion and vice versa. However, breeds who elect not to contribute funds to the breed grand champion and/or bred and owned champion will not be permitted to compete in the Supreme Drive and/or Bred & Owned Champion Drive. In addition, the \$250 bred & owned award will not be presented unless sponsored. Checks should be made payable to the Ozark Empire Fair Foundation.
7. A Grand Champion Female will be selected in the Junior, Bred and Owned, and Open shows to find the entry eligible to compete in the Supreme Drive. **For the breeds selecting a Champion Heifer and Champion Cow/Calf Pair, those two champions will show against each other to select a Champion Female to represent the breed in the Supreme Drive shows.**
8. An alternate in each show will be selected in the event the Grand or Reserve Grand Champion is deemed unable to participate in the Supreme Beef Drive.
9. All entries are to be made online at www.ozarkempirefair.com through our online portal, ShoWorks.
10. Each animal must have correct registration papers, health papers, tattoos and/or identifying marks recognized by respective breed associations. These will be checked against the information given on the entry form. All fields in ShoWorks must be filled out to the best of your knowledge.
11. All cattle will be bedded with material provided by the Ozark Empire Fair. NO OTHER BEDDING MAY BE USED. Exhibitors are responsible for tie-out bedding. No top dressing the mulch provided.

The premium assistance provided by the American Angus Association for participation in this show is in addition to the premiums offered by the show itself. The premium assistance should not be used to offset show expense and shall be included in the premium payments distributed by the show to the exhibitors.
- A minimum of fifteen (15) head must be shown in the junior Angus heifer classes to receive American Angus Association premium participation. The show is not required to have all classes to be eligible for premiums.
- Separate classes for bred and owned heifers may be held if the size of the show merits a separate class.
- To be eligible for Association premiums the entries must be recorded in the sole name of the junior exhibitor and the issue date on the registration certificate must conform to the individual show's requirements regarding ownership. The Association's contribution is included in the total premiums listed in each class.

Any animal, upon check-in, which does not have a legible permanent identification mark (ear tattoo marks, freeze-branded marks or hot-branded marks) corresponding to the permanent identification mark on the registration certificate, is ineligible to show. Once disqualified due to an incorrect or illegible permanent identification mark, animals cannot be re-identified (tattooed/branded) and rechecked at the show.

The use of graphite, powders, hemp or other similar substances used externally are also prohibited. Other prohibited products include those used internally such as steroids, illegal or unlicensed pharmaceuticals or artificial filling. Any animal found to be in violation will be barred from showing.
- At any show for which the American Angus Association appropriates funds toward the payment of premiums, no exhibitors, individuals assisting exhibitors or member owners at such show shall be allowed to use any coloring agents, on any animal exhibited. The Association may adopt and implement various tests designed to monitor this prohibition, including but not limited to a "white towel" or "white glove" test. No aerosol cans or other pressurized containers will be allowed in designated line up areas.
- All animals exhibited are subject to DNA marker or blood type test to verify accuracy of parentage as covered under the Association Rules and for other testing as required by the individual show.

The BAA reserves the right to provide the judge and audience with the Expected Progeny Difference (EPD) values, ultrasound data (collected by a certified technician), scrotal circumference for bulls, weights and ratios for performance and weights with weight-per-day of age. Performance figures, (including weights, hip heights, and frame scores), can be presented in their entirety or any combination deemed necessary by the BAA.
8. Heifers born Sept. 1, 2023 and after will show in the heifer show but can show with natural calves at side and still be eligible to show for champion female/heifer.
9. Heifers exhibited at 20 months of age or older (not females in cow/calf class) must be pregnant and accompanied by a certificate of pregnancy by a licensed veterinarian, or show with a natural calf at side. For heifers used in embryo transfer, a certificate of positive fertility issued by a licensed veterinarian must be available for inspection. Any protest on pregnancy will be handled with a blood test to prove the pregnancy status.

The registration status of the cow (FB/PB or Beef Builder) will determine the division the pair shows in. Calves from the cow/calf class can be no more than 230 days of age by date of show and calves can also be entered as individuals in the show (additional entry fee).
11. Bulls exhibited at 14 months of age or older must have a positive semen test and a certificate to that effect. The certificate must be available for inspection. Bulls 12 months and older will have a nose ring or nose lead to be shown

14. Only generally accepted fitting practices will be allowed. Violation will be cause for disqualification. Show committee will make ruling on case by case basis. Animals disqualified will forfeit entry fees, awards and show points.
15. Protests can be made to the Show committee with a \$150.00 protest fee, within 24 hours of the show or prior to release, whichever is first, in writing to BAA staff or show committee members. Show committee will make rulings on a case-by-case basis. Animals disqualified will forfeit entry fees, awards and show points. If ruling in favor of protest, fee will be refunded. If ruling against, the fee will be forfeited.
16. Appeals can be made to the Show committee with a \$150 appeal fee. Appeals will be forwarded with all information to the ethics committee and Executive Vice President. If appeal is granted, fee will be returned with reinstatement of show points and any other forfeited entry fees and awards. If appeal is denied, fee will be forfeited. Junior Show: 30 minutes following the Shorthorn Show, Friday, July 31 - Noel Boyd Youth Livestock Facility

Open Show: 30 minutes following the Shorthorn Show, Saturday, August 1 - Noel Boyd Youth Livestock Facility

ARRIVAL: Must be in place by 10 a.m., Thursday, July 30. No arrival prior to noon, Tues., July 28.

RELEASE: After the Supreme drive on Sunday, August 2. Must be gone by 6 p.m.

All animals to be eligible for an Open Charolais Breeding Class must be purebred and registered with the American-International Charolais Association (AICA). Only bona fide (original) certificates of registration will be accepted as evidence of registration and ownership; NO PHOTOCOPIES.

An animal is eligible to enter or compete in an open Charolais breeding class if registered in country of origin outside the United States and is eligible for purebred registry in the AICA Herdbook.

Animals registered in the AICA Colored Division Registry (QF and QM initialed registration numbers) must meet the parameters of the AICA Color Card.

All animals to be eligible may be approved by a sifting committee designated by the AICA. Stall space will not be provided for any Charolais cattle that have not been accepted by the sifting committee.

All animals are subject to a medical examination in order to determine age, and each animal will be present in the show ring in its natural conformation without alteration or modification. Use of artificial tailheads is not permitted.

Any animal not having a legible tattoo or firebrand number is ineligible and will be barred from showing.

Bulls from classes 36, 37, 40, 41, and 42 must have a valid, satisfactory semen test certificate in possession. This certificate is valid for the entire show season.

All animals shown in individual classes must be weaned, with the exception of the Cow-Calf Class and calves at the side of females calved after September 1, 2025. Calves at side must be purebred and registered with the AICA. Females calved after September 1, 2025, must show in individual female class appropriate to age. Nurse cows are not permitted.

All females 20 months and older exhibited at AICA sanctioned shows must be accompanied by a certificate of pregnancy from a licensed veterinarian or have produced fertile eggs as certified in a written statement by a licensed veterinarian or embryologist or have a calf at side.

AICA requires that all animals be shown with a halter and suggest that all bulls be shown with a nose lead.

ALL EXHIBITS OF CHAROLAIS BREEDING CATTLE SHALL BE GOVERNED BY THE AICA RULES AND REGULATIONS, ARTICLE XV, TITLED EXHIBITION OF ANIMALS. THE INSPECTION OF EXHIBIT CATTLE IS SPECIFIED IN ARTICLE XV, PARAGRAPH C, OF THE ASSOCIATION RULES AND REGULATIONS AND NON-COMPLIANCE OF EXHIBIT INSPECTION IS SPECIFIED IN PARAGRAPH D OF THE SAME ARTICLE XV.

ARTICLE XV, PARAGRAPH B, POINT 2: "Each animal will be presented in its natural conformation and structure without alteration or modification. Alteration or modification shall be defined to include any surgical, chemical, electrical or other (including banding or other circulatory constriction) appearance change for cosmetic purpose, save only branding, tattooing, foot trimming or dehorning. The act of artificially filling animals internally, which would include stomach pumping, drench tubes, or any other method per os (by esophagus) is prohibited. Silicone injection or other injection for cosmetic purpose shall be prohibited. Anabolic steroid use shall likewise be prohibited and any animal testing positive for anabolic steroid or diuretic use shall be presumed to be altered and modified."

Effective October 22, 2004, at any American-International Charolais Association (AICA) sanctioned show (including shows receiving AICA premium funding and/or qualifying as a Roll of Excellence Show), the use of a coloring agent, flock and powder is prohibited. Use of these products will result in the immediate disqualification of a given animal at such show.

ALL RULES OF SHOW APPLY.
