# COVID CONTINGENCY PLAN

**COVID-19 continues to present challenges for in-person event planning.** So, this year we are giving fairs a "Contingency" plan to be proactive in the event of any potential COVID-related changes or modifications.

Fairs may elect to postpone their contests until a later date when it is safe to gather.

### PLAN A

- all PSACF fairs conduct baking contests on regular fair dates and
- PA Farm Show 2022 runs normal schedule in January.

### PLAN B

- fairs conduct baking contests during fair dates OR a later time when it is safe to gather; **but no later than 10/31/21.**
- PA Farm Show 2022 runs normal schedule in January.

### PLAN C

- PA Farm Show is virtual; baking contests are not allowed.
- State finals date/time TBD when it is safe to gather.
- Location based on availability and space requirements.
- Event/Judging livestreamed to broaden sponsor's visibility.
