LIGHTING INFORMATION

Charles F. Dodge City Center Pembroke Pines is equipped with an extensive general "house" lighting plot. It comes focused and colored as per that plot. Any refocusing of equipment during the load-in must be restored during the load-out and the cost of the restore will be included in show settlement.

ELECTRICAL INFORMATION

Power Distribution/Company Switches

Bus Parking West – 5 multi-function 60 amp boxes and are equipped with a 3 blade dryer plug, a 4 blade dryer plug and Edison Outlets.

Loading Dock South – No Company Switches Available in the Loading Dock. Power can be run to the loading dock from various locations.

Stage Left US Wall - 100A, 200A, 200A Powersafe Pro Company Switch with CamLock Connections

Stage Right US Wall - 100A, 400A, 400A, 400A Powersafe Pro Company Switch with CamLock Connections

- *All Company Switches are Independently Grounded
- *One SL 200A Switch is in use for Motor Control
- *One SR 100A Switch is in use for Monitor World

THEATRICAL LIGHTING

Overhead lighting plot consists of 12 automated fixtures, 40 LED Pars, and various conventional lighting units on a typical 4 electric setup. Plot must be used as hung. Due to rigging limitations it is cost prohibitive to alter the hang on the overhead electrics. **Please specify if your production will require a lighting designer or if additional time is needed for show specific cueing.** Additionally, there are a number of conventional units to be used from the FOH hanging position.

CONTROL

1 ION Console, 1024 Outputs w/2-Touchscreen Monitors
192 2.4k ETC Sensor dimmers

FOLLOWSPOTS *(additional rental cost)*

4 2K Xenon Followspots located in the Followspot Booth

LIGHTING INVENTORY

Charles F. Dodge City Center Pembroke Pines has a permanent repertory light plot; therefore most of the inventory is hanging

LIGHTING / STAGE EFFECTS

Charles F. Dodge City Center Pembroke Pines is not equipped with any special effects equipment, *(Additional rental costs may apply.)*

STAGE LABOR

Above the Mark is the preferred supplier of Stage Labor and technical services at the Center. <https://abovethemarkinternational.com/>

If an outside A/V supplier is contracted, the Event Manager will need to be notified. All Rigging is exclusive to Above the Mark.

AUDIO VISUAL EQUIPMENT RENTAL

Please contact: Marie Boudreau, Mboudreau@ppines.com for assistance.

FIRE PREVENTION / EMT SERVICES CITY OF PEMBROKE PINES

Please note that the use of Haze or any other special effect will require a Fire Marshal to be on site for the entire time Haze or effects are in use. Fire Marshal costs are at Prevailing Rates and a 4 hour minimum.

Fire Rescue Inspectors are contracted for any performance or event that uses open flame, smoke, haze or pyrotechnic effects. Fire Watch requests should be provided as part of the advance, and should be submitted to Production no later than 4 weeks prior to the date of the event.

Fire watch will not be needed if you choose to use the Charles F. Dodge City Center hazers. They have been approved by Fire.

EMT services are will be determined based on event type.

VEHICLES ON PLAZA OR INSIDE THE GREAT HALL REQUIREMENTS:

GREAT HALL:

Vehicles must have no more than 1/4 of a tank of gas.

Vehicles must have the battery disconnected and have the terminals taped off.

The gas cap must be taped shut

Vehicles must have a carpet / drop cloth underneath the oil pan to prevent spills.

*If you do not provide a carpet / drop cloth and there is a spill, you will be charged a cleaning fee at settlement.

Vehicles must be no larger than 10' wide by 10' tall (including antennas).

Vehicles may not be started or moved during the entirety of the event.

PLAZA:

Vehicles must have a carpet / drop cloth underneath the oil pan to prevent spills.

*If you do not provide a carpet / drop cloth and there is a spill, you will be charged a cleaning fee at settlement

At no time is tire to concrete contact allowed. Please bring tire socks, plywood, or cardboard. *A cleaning fee will be charged at settlement if tire marks are found on plaza.

DRESSING ROOM / WARDROBE / GREEN ROOM INFORMATION

DRESSING ROOMS:

All dressing rooms are located on the first floor of the Charles F. Dodge City Center Pembroke Pines. All Dressing rooms are equipped with showers, toilets, mirrors and chairs. Rolling costume racks (Z-Racks) are available. There is 1 star dressing room and 2 larger dressing rooms available.
