## INTERACTIVE ART EXPERIENCES

Your children will have the opportunity to learn about the art, history, and diversity of the region through hands-on experiences available in your classroom or at PPHM.

- **A.R.T.** (Aspire. Reflect. Transform) **FREE** This program is supported, in part, by a grant from Texas Women for the Arts, a program of the Texas Cultural Trust.
  - By pairing self-reflective arts education with opportunities to visit with West Texas A&M University students and professors, we can provide students a path to achieve their goals while fostering creativity and individuality. Students will draw from their unique artistic expression to create self-reflective art to be displayed in PPHM.
- **Have Art Will Travel \$40.00** (plus mileage outside of Amarillo/Canyon area)
  - This in-classroom experience brings the museum straight to you with fun art activities customized for each grade level.

## Can't come to PPHM but want to explore our museum?

Book an Outreach Trunk. Cost is \$25 for a teacher-led program and four school day (Monday- Thursday) rental, or book an interpreter for a one- day rental for the same cost (plus mileage if outside Amarillo/Canyon ISD.)

- African American History
- Dusty Old Dust
- Cowboys in the Panhandle
- Southern Plains Indians
- Bison on the Plains

## EDUCATION

STEAM Lab

**Join in on PPHM's newest adventure!**

**We are booking now for the  
Science, Technology, Engineering, Arts, and  
Mathematics (STEAM) Lab.**

The STEAM lab will feature learning opportunities for all ages and grades. PPHM will utilize its collection to bring your curriculum to life! This hands on, engaging space can be used for anything from an art lesson about color theory to a lesson on wind energy, math concepts, and so much more. Our STEAM Education team will tailor the experience to suit your group or class needs and learning objectives.
