President's Message

Dear Friends,

It is my pleasure to welcome you out to the 2023 Panhandle-South Plains Fair. This year marks the 106th edition of the fair. The dates for the 2023 Fair are September 22nd – 30th.

2022 was a very successful year for our organization and we are pleased to announce that we are making some upgrades to our facilities. You will find that we have added evaporative cooling in the Livestock Pavilion, along with permanent covers for our outside picnic tables. These two improvements will allow customers to be able to find some shade and cool off after enjoying all the fair has to offer. Additionally, our Commercial Exhibits Buildings are getting new doors which will make it easier for our vendors to move in and out.

The fabulous "fair food" will be served up by all the local non-profit organizations that participate in our event so be sure to stop by and support these local groups by purchasing those fair favorites.

The free grounds entertainment provided this year features: Rock-It the Robot, Kid Buck\$ Game Show, Hypnotist Ron Diamond, Extreme Raptors, Stilt Walkers, Bruno's Tigers, and Jason D'Vaude – The Circus Man. Don't miss out on these exhilarating shows.

The carnival will once again be provided by Reithoffer Shows. They will be bringing additional rides that have never been in Lubbock before that you won't want to miss out on. Don't forget to purchase your \$75 Mega Pass that allows you unlimited rides for all nine days of the fair including preview night. These go off sale on September 16th so be sure to get it before then.

Come join us for one of the longest running traditions in Lubbock, The Panhandle South Plains Fair September 22 –30, 2023. More information can be found at our newly updated website at www.southplainsfair.com.

See you at the fair.

GENERAL RULES AND REGULATIONS

1. The Board of Directors reserves the right to postpone or extend the date of this Exposition; to make any changes in the premium list they may deem necessary for the best interest of the Exposition; to interpret all rules and regulations; and to add to these rules, and settle all questions and differences in regard thereto.
2. **The Panhandle South Plains Fair Association reserves the right to pay printed premiums in ratio to net earnings. The Association hopes to pay all premiums in full this year; however, as premiums and all other expenses must be paid from gate and other receipts made from the operation of the Fair itself, this condition is made to put exhibitors on due and legal notice.**
3. Any person violating the general or special rules as published in this premium list will forfeit all privileges and premiums won.
4. The Panhandle South Plains Fair Association, its officers, and its employees shall not in any way be held responsible for loss, damage, or injury to articles, livestock or person, while same is on the Fairgrounds. The Fair Association will take all reasonable precautions to protect the property and exhibits of the concessionaires and exhibitors – but will not be liable for, or make payment for any article, animal or property lost, damaged, or injured while on the Fairgrounds.
5. No claim or suit for injury to any person or property shall be asserted against the Panhandle South Plains Fair Association, its officers or agents, by any person, firm or corporation, or their agent, representatives, servants, or employees having permits to exhibit or occupy space on the Fairgrounds.
6. Any exhibit, falsely entered shall, at the option of the Manager, be removed from the Fairgrounds without any reason being assigned therefore and the refunding of any money paid will be left to the discretion of the manager.
7. All entries shall be subject to the special rules of the department under which they are entered. In case of conflict between general and special rules, the latter shall govern.
8. All protests shall be passed on by the Board of Directors and must be made in writing to the Manager, accompanied by an affidavit setting forth grounds for protesting, together with a deposit fee of fifty dollars (\$50) which will be forfeited if the protest is not sustained. Parties interested will be notified of the time and place for considering the protest and will be given an opportunity to submit evidence.
9. No person will be permitted to distribute advertising matter on the Fairgrounds, except from his or her contracted exhibit space. The tacking of any advertisements, bills, or posters other than within the space occupied by the exhibitor is strictly forbidden. Civic, religious and fraternal organizations are invited to rent booth space under the same rules that apply to all exhibitors. Begging, soliciting, singing, or public speaking is prohibited except from the exhibitor's space rented expressly for that purpose.
10. Dogs will not be permitted on fairgrounds during the fair, except those providing assistance to Americans with disabilities.
11. Rules and Regulations of the Texas Animal Health Commission will apply to all animals and fowl entered for exhibition at the Fair.
12. **All livestock trailers, trucks, and other vehicles are required to park in designated parking lots. No parking will be allowed inside the Fair. Towing will be enforced.**
13. Exhibitors are asked to exercise extreme caution in the handling, transporting, loading, and unloading of their exhibits while on the fairgrounds. Exhibitors are responsible for the actions of their animals and can be held liable for the damages and injuries caused by them.
14. Exhibitors must have owned all animals shown by them for at least 30 days prior to the date of exhibition. Firms or partnerships who own animals entered must have been in existence at least 30 days prior to the Fair opening and gave written proof.
15. Exhibitors may bring their own feed, however, in order for the exhibits to be presented in a more attractive manner, only a limited amount should be brought in at any one time and this must be kept in the service alley. **Grooming Cutes are not allowed on the Fairgrounds during the Junior Shows.**
16. The Fair Association reserves the right to limit entries and no entry will be accepted for exhibition for which provision is not made in this premium list. **In the Junior Shows, all pen and stall assignments will be made in the same manner in which they were entered by CEA or AST, no county groups or club groups allowed.**
17. All applications for entry of livestock must be made in writing on printed forms, retrieved from the Fair's website or obtained from the **Fair Office. Verbal notice of entry will not be accepted.**

General Information Cont'd

18. An animal not up to the requirements of the premium list, as to pedigree and registration, will be barred from competition.
19. Entry fees are non-returnable and refunds will not be made.
20. Judges will not award prizes to an unworthy exhibit. In cases where there is only one exhibitor, and no other competition, premium shall be awarded in accordance with the merits of the item exhibited; which may be first, second, third, fourth, etc.
21. Where it is possible, awards will be made by the single judging system and, as far as practical, judges of livestock will be chosen from among those recommended by the various breed association.
22. The decision of the judges shall be final and no appeal will be considered except in the case of a protest.
23. Premium ribbons will be awarded in accordance with the following: first-blue, second-red, third-white, fourth-pink, fifth-yellow, etc.
24. Only first prize winning animals are eligible to compete for championship honors. Only champion prize winning animals are eligible to compete for grand champion honors. (In Championship Classes, "Senior" designates cattle two years old and over; "Junior" under two years.)
25. Livestock may not be removed from the grounds early without a written release from the Superintendent of the Department in which entered.
26. HERDSMAN AWARD: \$25.00 plus a banner will be awarded to the exhibitor who maintains the most attractive exhibit and reflects the best all-around cooperative attitude in the Open Dairy, Southwest Regional Open Southdown, Open Rambouillet Sheep, and the Open Boer Goat Shows.
27. JUNIOR SHOWMANSHIP AWARD: \$25.00 plus a plaque will be awarded to a Junior Exhibitor in the Junior Dairy, Junior Steer, and Junior Beef Heifer on the basis of general appearance, skill, courtesy, and sportsmanship in the arena.

TEXAS ANIMAL HEALTH COMMISSION
1-800-550-8242, Ext. 777 or 512-719-0777

Summary of Texas Requirements

For Intrastate, Interstate and International Livestock (Domestic and Exotic), Poultry and Ratites

Note: The following summary is a condensed version of the Texas Animal Health Commission regulations. The regulations will supersede this summary if there is a dispute between the two.

Cattle Requirements (including Bison)

- I. Intrastate (Cattle moved within the state of Texas)
 - A. All cattle or bison originating in Texas and participating in:
 1. Intrastate shows, fairs, and exhibitions (those functions that require Texas livestock, poultry and ratites of the same species to be housed and exhibited separate and apart from livestock, poultry and ratites from out of state) are exempt from the certificate of veterinary inspection and testing requirements.
 2. Interstate shows, fairs, and exhibitions (those functions that permit livestock and poultry from other states to enter for show or exhibition and held in common facilities with Texas origin livestock and poultry of the same species) are exempt from an entry permit, but must meet the same other requirements as for those species entering from out-of-state and be accompanied by a certificate of veterinary inspection.
 - a. Texas origin dairy cattle are not required to be tested for tuberculosis to participate in a show, fair or exhibition within the state but must be officially individually identified.
 - B. Requirements for Change of Ownership within Texas
 1. All dairy cattle must be individually identified prior to change of ownership.
 2. All sexually intact cattle, 18 months of age and older, changing ownership within Texas, shall be officially identified within seven days of the change of ownership.
 3. Trichomoniasis Requirements
 - a. All Texas origin bulls sold, leased, gifted, exchanged or otherwise change possession for breeding purposes in the State of Texas shall meet the following testing or certification requirements prior to sale or change of ownership in the state.
 - 1) Registered bulls under 18 months of age can be certified as virgin, by the breeder, and accompanied by a breeder's certificate of virgin status; or
 - 2) If from a herd of unknown status (a herd that has not had a whole herd test), be tested negative on three consecutive culture tests conducted not less than seven (7) days apart or one RT-PCR test conducted within 60 days of sale or movement, be held separate from all female cattle since the test sample was collected, and be accompanied by a Trich test record showing the negative test results.
 - 3) Untested Bulls: Bulls presented for sale without a breeder's certification of virgin status or a Trich test record showing negative test results may:
 - a) Be sold for movement only directly to slaughter; or
 - b) Sold for movement to a feedlot and then to slaughter; or
 - c) Be sold and moved under a Hold Order to such place as specified by the Commission for testing to change status from a slaughter bull to a breeding bull.
 - Such bulls require official permanent individual identification prior to movement; move to the designated location on a VS 1-27 permit, and be held in isolation from female cattle at the designated location for not less than 21 days where the bull shall undergo three culture tests or for not less than 7 days where the bull shall undergo one RT-PCR test.
 - If the results of any test are positive, the bull shall be classified as infected and be permitted for movement only directly to slaughter or to a market for sale directly to slaughter.
 4. Brucellosis and Tuberculosis Requirements

II. Interstate (Cattle moved into the state from other states)

- A. Any livestock, poultry or ratites that are infected, exposed or quarantined in any manner for an infectious, contagious or communicable disease may not enter the state. Contact TAHC at 1-800-550-8242.
- B. An owner-shipper statement may be used in lieu of a certificate of veterinary inspection in some instances (see below).
- C. Entry permits are required as noted in the following section and may be obtained by calling 512/719-0777 (24 hours) or 1-800-550-8242, ext. 777 or by writing the Texas Animal Health Commission, 2105 Kramer Lane, P. O. Box 12966, Austin, Texas 78711-2966.
- D. **** VS Update:** No equine, bovine, porcine, caprine, ovine, or cervidae may enter Texas from a premise or area under quarantine for vesicular stomatitis. All equine, bovine, porcine, caprine, ovine, or cervidae from a vesicular stomatitis affected state must have a certificate of veterinary inspection issued within 14 days of the date of entry into Texas.
- E. Entry Requirements for Cattle:
 1. Certificate on Veterinary Inspection within 30 days prior to entry, except for the following:
 - a. Female cattle, 18 months of age and over, delivered directly from the farm of origin to slaughter
 - b. Beef breed female cattle, 18 months of age and over, entering from other than a farm of origin may be moved to slaughter, or to an approved feedyard when accompanied by a Form VS 1-27 on which each animal is individually identified. Brucellosis test data, when required, shall be written on the VS 1-27 Form which must include the test date and results.
 - c. Beef breed female cattle, 18 months of age and over, delivered directly to a USDA specifically approved livestock market by the owner or consigned there with an owner-shipper statement.
 - d. Beef breed steers, spayed heifers, beef breed female cattle, under 18 months of age, delivered to slaughter and accompanied by an owner-shipper statement or to a livestock market by the owner or consigned there with an owner-shipper statement; or
 - e. Beef breed steers, spayed heifers and beef breed female cattle, under 18 months of age, delivered to a feedlot for feeding for slaughter by the owner or consigned there with an owner-shipper statement.
 2. Official individual identification is required:
 - a. On all beef cattle over 18 months of age
 - b. On all dairy cattle
 - c. On all breeding bulls more than 12 months of age
 - d. On all cattle and bison used for shows, exhibitions, rodeo or recreational events
 - e. Types of official identification
 - 1) Official Alpha-numeric USDA metal eartags (bangs tags)
 - 2) Official Alpha-numeric USDA metal vaccination tags
 - 3) Official 840 or 900 RFID tags (**900 series tags are no longer official if applied to the animal after March 11, 2016**)
 - 4) Official 840 flap or bangle tags
 - 5) Official individual animal breed registry tattoos or brands
 - 6) National Dairy Fair Tag or Dairy Herd Improvement Association Tag
 3. A permit is not required unless bulls are entering for exhibition and return to the state of origin per the Trichomoniasis requirements section #6 below.
 4. Brucellosis testing / vaccination requirements
 - a. A negative brucellosis test is required within 30 days prior to entry or be from a class free state, area or certified free herd.
 - b. Brucellosis vaccination is required for female cattle between 4 to 12 months of age or be from a class free state, area or certified free herd.
 - c. Brucellosis Designated Surveillance Area (DSA) (applies to all states)
 - 1) Cattle entering Texas directly from the DSA:
 - a) Breeding bulls and sexually intact females shall be tested for brucellosis 60 to 120 days post entry, except:
 - Cattle for immediate slaughter
 - Cattle for feeding for slaughter in a feedlot; and
 - b) Sexually intact females that have not calved must be held until tested negative 30 to 90 days after calving.
 - c) Nonvaccinated sexually intact females between 4 and 12 months of age shall be officially brucellosis vaccinated prior to entry, except:
 - Cattle for immediate slaughter

- Cattle for feeding for slaughter in a feedlot; and
 - d) All cattle must also meet all applicable entry requirements.
 - e) All breeding bulls and sexually intact females require an entry permit.
- 2) Cattle entering Texas from Idaho, Montana or Wyoming that do not currently reside in the DSA:
 - a) All breeding bulls and post parturient females shall enter Texas with one of the following statements on the Certificate of Veterinary Inspection:
 - The cattle represented on this certificate never resided in the DSA; or
 - The cattle represented on this certificate tested negative for brucellosis at least 60 days after leaving the DSA.
 - b) Sexually intact females that have not calved must enter with an entry permit and be held until tested negative 30 to 90 days after calving or with a statement on the certificate that the cattle never resided in the DSA.
 - c) All cattle must also meet all applicable entry requirements.
- 3) Cattle entering Texas from states other than Idaho, Montana and Wyoming that previously resided in the DSA:
 - a) Sexually intact females that have not calved must enter with an entry permit and be held until tested negative 30 to 90 days after calving or with a statement on the certificate that the cattle never resided in the DSA.
 - b) All cattle must also meet all applicable entry requirements.
- 5. Tuberculosis testing requirements
 - a. All sexually intact dairy cattle that are two months of age or older must be tested for tuberculosis per the rules c through e in this section, below.
 - b. All sexually intact dairy cattle that are less than two months of age require an entry permit to a designated facility and held until tested negative at two months of age. Dairy cattle delivered to an approved feedlot and accompanied by a certificate of veterinary inspection with an entry permit are exempt from testing unless from a restricted herd. Calves from a Modified Accredited Free State must also originate from an accredited free herd or be from a herd that has been tested within 1 year prior to entry.
 - c. Cattle from Accredited Free States or Zones require the following:
 - 1) Beef cattle (including bison), no test is required
 - 2) All dairy cattle require a test within 60 days prior to entry except on sexually neutered cattle or cattle from an accredited free herd.
 - d. Cattle from Modified Accredited Advanced Free States or Zones require:
 - 1) A tuberculosis test within 60 days prior to entry or;
 - 2) Be from an accredited herd that has been tested within 1 year of date of movement or;
 - 3) The cattle or bison are moved directly to an approved slaughtering establishment or;
 - 4) The cattle or bison are sexually intact heifers moved to an approved feedlot (dairy cattle are required to be accompanied by a permit), or are steers or spayed heifers; are either officially identified or identified by premises of origin identification.
 - e. Cattle from Modified Accredited States or Zones require:
 - 1) A whole herd test conducted within 1 year prior from to date of movement and that the individual animals be identified and be individually tested within 60 days prior to entry or;
 - 2) Be from an accredited free herd that has been tested within 1 year date of movement or;
 - 3) The cattle or bison are moved directly to an approved slaughtering establishment or;
 - 4) The cattle or bison are sexually intact heifers moved to an approved feedlot (dairy cattle are required to be accompanied by a permit), or are steers or spayed heifers; are either officially identified or identified by premises of origin identification; and are tested negative within 60 days prior to entry.
 - f. All "M" branded steers, which are recognized as potential rodeo and/or roping stock and used for either feeding or recreation purposes require:
 - 1) A permit prior to entry and;
 - 2) Be tested negative for tuberculosis within twelve months prior to entry.
- 6. Trichomoniasis Requirements:
 - a. A negative Trichomoniasis test is required within 60 days prior to entry on all breeding bulls twelve (12) months of age or older with an official Real Time Polymerase Chain Reaction (RT-PCR) test.
 - b. Trichomoniasis samples pooled at the laboratory may qualify as the official test if no more than five total samples are pooled.

- 1) Exceptions for testing for bulls 12 months of age or older:
 - a) Bulls entering Texas for the purpose of participating in a fair, show, exhibition or rodeo may enter without a Trichomoniasis test as long as a permit is issued prior to entry. The bulls must be isolated from female cattle and stay in the state for less than 60 days.
 - b) Bulls entering Texas directly to a feedyard that has executed a Trichomoniasis Certified Facility Agreement may enter without a Trichomoniasis test. Bulls must be accompanied by a permit prior to entry.
 - c) Bulls entering Texas directly to a facility that tests the gain and feed conversions of cattle (bull test station) may enter without a Trichomoniasis test if moved directly to the facility and are isolated from females and accompanied by a permit issued prior to entry.
 - d) A Texas bull that is enrolled in an out-of-state facility for the purpose of testing gain and feed conversions of cattle (bull test station) may enter without a Trichomoniasis test as long as the bull is moved directly to the Texas premises of origin. The certificate of veterinary inspection must state the bull was enrolled in a bull test station and was isolated from female cattle.
 - e) Bulls enrolled at an out-of-state Certified Semen Services certified artificial insemination facility (CSS facility) that isolates the bull from female cattle at all times may enter without a Trichomoniasis test as long as the bull is moved directly from the CSS facility into the state. The certificate of veterinary inspection shall state the bull was enrolled in a CSS facility.
 - f) Bulls originating from a herd that is enrolled in a Certified Trichomoniasis Free Herd Program or other certification program that is substantially similar may enter without a Trichomoniasis test.
 - g) The bull can move to a federally approved livestock market as long as accompanied by an owner-shipper statement if coming straight from farm of origin.
 - If the bulls are moved from any other location other than farm of origin going to an approved livestock market, they may enter with a CVI and an entry permit.
- 2) The official identification number and age of bull shall be written on the certificate of veterinary inspection.
- 3) Any bull, that has had contact with a female subsequent to the initial test, must be retested within 60 days prior to entry.
- 4) Female cattle from a known Trichomoniasis herd or are exposed to a known Trichomoniasis positive bull are prohibited from entering Texas unless permitted to an approved slaughtering establishment.
- 5) All bison are exempt from meeting the above Trichomoniasis testing requirements.

III. International (Cattle moved into the state from foreign countries)

5. **DEADLINE TO ENTER is Friday, August 18, 2023.** Entry forms must be postmarked by that date. An entry does not guarantee stall space in the barns. **Late entries will only be accepted day of arrival at the barn. Late entry fee: \$70.00 per animal. Cash Only!**
6. Each exhibitor will be issued 1 season admission pass but must purchase a "Livestock" parking pass for \$15.00, if needed. Complimentary parking passes will not be issued. The \$15.00 pass fee must be included with entry fees at the time of entry and all admission passes and parking passes will be mailed to the CEA or AST prior to the show. **The "Livestock" parking pass allows you to park in the designated livestock parking area or anywhere in the general parking lot. NO internal parking is allowed on the fairgrounds by exhibitors. TOWING WILL BE ENFORCED. See map on page #3 to know where the livestock parking area is located.**
7. Arrival and Release Times: Tack and equipment may only be brought in the barns on Wednesday, September 27th from 1:00pm until 6:00pm. Steer arrival is on Thursday, September 28th from 8:00am until 6:00pm. Immediately after unloading, each trailer must be moved off the fairgrounds to an outside parking lot as instructed by your Show Superintendents. Trailers left on the inside parking lot or around the barns will be towed by a commercial wrecker service and held for charges. Steers will be released on Saturday, September 30th after their class has been judged.
8. Each exhibitor must show his or her own steer. In case of emergency, the Superintendent may approve a qualified exhibitor to show the steer.
9. Grooming chutes will not be allowed on the fairgrounds.
10. Fitting Rule: Blow and show. No paint, powder or adhesive allowed. Cattle will be inspected while entering the show ring; those in violation will be disqualified.
11. Tie out space is limited and is located behind the shop southeast of the cattle barn and the north and east of the 2W Livestock Pavilion. Horse stalls can be purchased for \$25 each per day. *****No straw is allowed!**
12. *****No shavings will be provided.** Exhibitors may bring fiber or wood shavings but no straw is allowed.
13. Divisions – There will be five Breed Divisions with the following classes in each division:
 - a. Hereford/Polled Hereford Breeds: Class 01 Class 02 Steers that are purebred Hereford or Polled Hereford
 - b. British Breeds: Class 01 Class 02 Steers that are purebred Angus, Red Angus or Shorthorn.

Junior Steer Show Cont'd

- c. American Breeds and Crosses: Class 01 Class 02 This division will be comprised of steers that are combinations of purebred or crossbred Brahman, Brahman based and/or any other American breeds that exhibit the typical physical characteristics of American Breed Cattle.
- d. Predominantly Reds: Class 01 Class 02 This division will be comprised of steers that are predominantly red.
- e. Black Crossbred: Class 01 Class 02 This division will be comprised of black steers. Only steers with black color will be allowed in this division.
- f. AOC: Class 01 Class 02 This division will be comprised of non-black steers. Only steers with no black color will be allowed in this division.

14. **If entries justify the addition, the Superintendents may add one more class to each division. Classes will be broken at the discretion of the superintendents.**

15. Weigh/Classify: Turn in your own weights. Weight cards will be available at the livestock office or from any superintendent. Weight cards will be turned in at classifying that will begin at 10:00am on Friday, September 30th. On the day of weighing and classifying, exhibitors will be called by breed to the scales. Exhibitors will declare the breed of the steer by presenting the animal at the designated time for that breed. Any steer classified out of that breed division will not be allowed to declare an alternate breed and will be reclassified at the discretion of the 3-man classifying system. The decision of the classifiers is final. Steers will be classified in order: Hereford/Polled Hereford, British, ABC, Predominantly Reds, Black Crossbred, and AOC. All weight cards must be turned in at classification by Noon on Friday, September 29th.

***One set of portable scales allowed per county 4-H group or FFA Chapter. Official scales will be provided.**

- 16.** Top (2) placing steers will be re-weighed (or others) at Superintendents discretion with 5% weigh-back allowed.
- 17.** Champions: A Breed Champion and Reserve Breed Champion will be selected from the First and Second place steers in each of the classes in the six Breed Divisions. The Grand Champion and Reserve Grand Champion will be selected from these Breed/Reserve Breed Champions.
- 18.** Judging: Judging will begin at 11:00am on Saturday, September 30th. if the heifer show is over; if not, we will begin the Steer Show after the conclusion of the heifer show but in no case will the steer show begin prior to 11:00am. Steers will be judged in the order that classes are listed in the premium book. (Hereford/Polled Hereford, British, American Breeds and Crosses, Predominantly Red, Black Crossbred, and AOC)
- 19.** Premium checks will be mailed after the fair is over.
