Date

Youth Animal Project Agreement (to be completed at beginning of project)

The youth is responsible for caring for the animal, which will include feeding, de-worming, providing fresh clean water, providing a pen, washing, and showing. The youth will use this project as an educational tool to learn skills needed in the livestock industry. This project will also help the youth to accept success and failure as a learning experience. The youth will keep accurate records on their project animal.

I accept these responsibilities.

Date (beginning of project): _____ Signed- (Youth): _____

The parents are responsible for providing financial help, if needed, along with assistance, encouragement and supervision while the youth is raising this animal.

Date (beginning of project): _____ Signed- (Parent or Caretaker): _____

Drug Statement (to be completed at end of project)

I hereby certify that any drug, antibiotic or biological substance, which may have been administered by myself, or any other person, was done in strict compliance with the manufacturer's label requirements.

Date (end of project): _____ Signed- (Youth): _____

Date (end of project): _____ Signed- (Parent or Caretaker): _____

Acknowledgment of Pasco County Fair General Rules (to be completed at beginning or end of project)

I hereby agree that I have read and understand Pasco County Fairs Safe Handling Practice rules, IAFE National Code of Show Ethics rules, and Livestock Addendum form.

Date: _____ Signed- (Youth): _____

Date: _____ Signed- (Parent or Caretaker): _____

The purpose of a market animal project is to:

- acquire an understanding of the animal industry by preparing for, purchasing, caring for and keeping records on one or more head of animals
- identify the types and breeds of animals and employ efficient methods of production and marketing.
- understand the business aspect and economics of purchasing animals, feed, facilities, and equipment for an animal project
- develop integrity, sportsmanship, and cooperation

--	--

Rabbit Project Care

List the necessary things that you must do to care for your rabbit(s). This should include feeding and watering practices, grooming, health needs, general cleaning, etc. Please use complete sentences.

Daily

Weekly

Monthly

Yearly

Parts of a Rabbit

Write in the parts of the rabbit and color it to look like your rabbit.

Parts of the Rabbit:

Nose **Rump** **Shoulder** **Eye** **Mouth**

Hock **Tail** **Foot** **Ear** **Chest**

Project Story

(Your story may be typed or handwritten by the exhibitor.)

Your story should relate to this years' Skillathon topic. Since the topic changes year to year, the skillathon information will be on the PCF website. Be sure to include an introduction, information from the skillathon packet as support and a conclusion. This should be in the form of a 3-paragraph essay and may include a summary of your overall project.

Project Pictures

Show pictures (minimum of 4 to 8 maximum) of you and your project. The pictures should show some of the things mentioned in your story and should show you involved in project work. Write a short caption for each picture.
