
RISK OF COVID EXPOSURE:

An inherent risk of exposure to COVID-19 exists in any public place where people gather.

The Pendleton Round-Up reminds you there could be risk involved with attending, performing, or volunteering at the event regarding COVID-19.

Please follow all posted and verbal instructions while visiting, working, and participating during the Pendleton Round-Up.

COVID-19 is a contagious virus that can lead to severe illness and potential death. According to the CDC, senior citizens and guests with underlying medical conditions are especially vulnerable.

***By your participation in the event,
you are accepting the potential risk of
COVID-19 Exposure***
