If the account holder would like a non-account holder to pick up the tickets, the account holder must provide a written notice specifying that the non-account holder can pick-up the tickets and the specific tickets that the non-account holder can pick-up, which includes the event(s), performance(s), row(s), and seat(s). IMPROVEMENTS & ADDITIONAL SEATS REQUESTS-

The Pendleton Round-Up and Happy Canyon strives to provide the best possible seats for all season ticket holders. It is essential to understand we experience very little turnover, which leaves very few seats available for use in the improvement process. We will review all change requests and attempt to improve as many seats as possible. In order to request a change or improvement in seating, a change request form must be submitted to the PRU/HC ticket office no later than May 1st of the year prior to requesting the move or additional seats. If a form is received after May 1st the form will go to the next year and the patron will have to purchase their regular season tickets. (i.e. Patron fills out an improvements and additional request form in April 2019, the request will go on file by the date received for 2020 Round-Up and will be reviewed for changes. If the requested is received on May 2nd, the request will be placed on file by the date received and will be reviewed the following year in 2021). Only one request is needed on file until fulfillment. All duplicate requests will be discarded. If you are amending your request it will then be filed by date of amendment and not the original date of request. If an account is transferred and/or will to another or new account holder, requests do not transfer with the account. The new account holder must submit their own request for improvement and/or additional seats.

TRANSFERS & WILLING OF TICKETS-

Pendleton Round-Up and Happy Canyon season tickets may be transferred or willed ONLY to an "immediate family member" of the account holder(s). Immediate family members are defined as spouses, domestic partners recognized under the laws of the state in which the Account Holder(s) lives, parties to a civil union recognized under the laws of the state in which the Account Holder(s) lives, and children of the account holder(s). If two or more names appear as account holders, then it will be necessary for ALL named account holders to sign off on the transfer form. No other transfers or willing of season tickets will be recognized as valid as PRU/HC tickets do not convey a property right to the account holder. If there is no personal representative or we do not hear from anyone within 60 days of the death, the order will be canceled and the seats will be made available to others. It is suggested to have the transfer/will of tickets form filled out and on file at the Pendleton Round-Up & Happy Canyon ticket office.

In the event of the death of the account holder before written consent can be obtained, the following procedures will be followed in order to transfer the deceased account holder's tickets:

- (1) Account Holders Final Will & Testament- If the deceased account holder has included the transfer of his/her PRU/HC tickets in their will to a spouse, domestic partner, person with whom they are joined in a civil union, or to a child, the tickets will be transferred to the individual identified. NO OTHER TRANSFERS WILL BE RECONGNIZED as PRU/HC tickets do not convey a property right to the account holder. PRU/HC advise that account holders include their account number, seat locations and recipient of the ticket expressly in the will.
- (2) To surviving spouse, domestic partner, or person with whom the account holder was joined in a civil union, even if not included in a will (appropriate documentation may be required).
- (3) To the children of the account holder- If no final will or spouse is available for the ticket transfer, then the surviving children will be offered the opportunity for the transfer of the account holder's tickets. If the children of the account holder are unable to agree on the disposition of the tickets then tickets will revert back to the PRU/HC.

The transfer recipient must provide the Pendleton Round-Up & Happy Canyon ticket office with a copy of the Death Certificate as well as identification and the appropriate paperwork to show relation to the deceased along with written notice updating the account contact information.

Transfer of Business-Owned Tickets- Tickets may be transferred from a business-owned entity to an individual account holder if the business ceases operation. In this case, proper legal documentation must be provided in order to complete the transfer. Please contact the ticket office for details on the transfer of business owned tickets.

Divorce Settlement- Upon divorce or separation, the Pendleton Round-Up & Happy Canyon will honor a stipulation authorizing retention or transfer of ticket to one or both of the parties. Without stipulation or agreement, the tickets shall revert to the Pendleton Round-Up and/or Happy Canyon who shall have the right to divide the tickets between the parties or they will revert back to PRU and/or HC if the parties are unable to reach an agreement.

Unauthorized Transfer of Season Tickets- The Pendleton Round-Up & Happy Canyon remains committed to the fans on the season ticket waiting list. For this reason, the current ticket policy strictly prohibits any transfer of season tickets, or any attempt to circumvent the official ticket policy on the transfer of PRU/HC season tickets, will result in a violation of the PRU/HC Ticket Policy, which may result in the revocation of season tickets and season ticket holder privileges.
