Old Business – FY17 Budget

Anne presented the FY17 budget with the changes that had been requested. The new operating loss is (\$436,308). The changes to the meetings category were noted on pages 5, 6, and 9 of the budget packet. There was also a shift in the budget moving items out of Savor and into Convention Sales due to the change in the intergovernmental agreement. Attendance decreased and eleven event days were dropped. Robert Manning discussed PNC Winterfest and stated that it needed to be included in the FY17 Capital Budget. The revised budget is to be printed on yellow paper and sent out before the PCCA Meeting. Anne will be presenting the changes at the PCCA meeting on Thursday, August 25, 2016.

New Business – July 2016 Financial Statements

Danette Snopek reported that July was a good month. Event income was over budget by \$57,000. In the Convention Center, three banquets took place versus zero budgeted. The Church of the Living God convention and the Chris Cornell theater concert were not

budgeted. Advertising was slightly under budget. Wages were under budget for the month and electricity was over budget. This is the second month in non-operating income that the City of Peoria is adjusting the HRA subsidy to reflect the overpayment from February through May. The reduction is \$40,040 each month. The subsidy received was \$13,080 less than budget. Danette reported that the reprojected operating loss for the year is \$563,323 which decreased a little over \$3,000 from the projection last month. There was discussion about the subsidy with Robert Manning and Jim Scroggins. Anne sent the auditors the revised tax report to show how the city will be issuing the PCC two separate checks each month. Paul DiGiallonardo asked for some insight into how August 2016 is looking. It was reported that the Lion King Jr. performances went well and a major concert rehearsal is possible before the end of FY16.
