

## **Power Wheel Derby Rules**

Any child ages 4-9 with a Power Wheel can participate in the "Power Wheels" Derby.

They must wear approved safety helmets. Bicycle helmet is fine.

All Power Wheels must remain stock with no added re-enforcements.

You may add a rubber tire to the tread area of the power wheel's tire for added traction.

Must use one 12volt battery only and must be mounted secure and covered with rubber mat.

Power wheels may be decorated to look like a demo derby care, but may NOT be re-enforced.

If child gets out of the power wheel during the event, that child is out of the event.

All children must be signed in with a parent at the pit gates. One parent will be allowed on the track with their child during the event. This is a "Timed Event", after time has expired all children will receive a medal of participation and must leave the track and pit area.
