Market Steer Average Daily Gain Award

Market Steers are officially weighed in on the 1st Tuesday of November and the final weight on the 1st Saturday of the fair. These weights are used to calculate the average daily gain premium money, at the rate of .30 cents per pound of gain in excess of two pounds per day. This year's Market Steer Gain in weight is awarded to **DYLAN ALTMAN** with average daily gain of 3.61lbs.

OVERALL AWARD

BEST OVERALL PROJECT AWARD

The Best Project Award is awarded to the exhibitor that has the sum of premium money. These premiums come from the Skill-a-thon, Herdsman ship, Record book Showmanship, Homegrown award, Class, Division and Champion placing. In the Steer show the average daily gain money is also included in this award.

This year's Beef Heifer best project winner, was 1st Place in Skill-a-thon, 2nd Place in Senior Record Book, 1st Place in Showmanship, won a Blue Ribbon award, Division champion, and was the Homegrown Champion of the American beef Heifer Show.

Congratulations to ALLISON TILLIS

Market Swine and Market Steer Best Overall Project Award
