They must show as 4-H or FFA members, but not in both divisions. If showing 4-H you must be a registered 4-H member by **October 31, 2021**. Additionally, each 4-H club or FFA chapter may enter group owned animals. All entry forms must be signed and approved by either a Ag teacher or 4-H Agent. **Age Divisions:** Junior = 8-10, Intermediate = 11-13, and Senior = 14- high school senior as **September 1, 2021**.

1. Steers must be owned and in the hands of the exhibitor no later than the first official weigh-in. At the first official weigh-in the steers will be given an official starting weight for figuring daily gain and will be marked by the management for identification. Any steer not brought to the weigh-in will be ineligible for the show and sale at the Putnam County Fair.
2. All exhibitors are expected to conduct themselves at all times in a manner that will contribute to the best interest of the Putnam County Livestock Shows & Sale. This includes conduct at school, not just 4-H, and FFA functions. The Fair Authority reserves the right to disqualify any exhibitor who has 3 or more referrals in the current school year or any exhibitor who has been arrested.
3. The completed entry form, entry fee, notarized hold harmless agreement, and if Homegrown, the Homegrown Verification form must be turned in at the first official steer weigh-in. All steers must be weighed in at the Putnam County Fairgrounds, East Palatka. At this time, record books will be provided for all entries. Each exhibitor can show only one steer but each exhibitor is allowed to weigh-in two steers at the first official weigh-in. Exhibitors living in the same household may co-tag their 2nd steer. Each exhibitor/owner must assume all liability in case of death or injury. The Putnam County Fair Authority, Inc., assumes no liability.
4. All steers must be dehorned and castrated before the first official weigh-in day. Any visible horns may be grounds for disqualification from the show as determined by livestock committee. Steers must weigh a minimum of 650 pounds at the first official weigh-in. Steers may be mouthed if deemed necessary by livestock committee at the first official weigh-in and steers older than 17 months will not be eligible for the contest.
5. **AGE – 24 months or younger at Fair weigh-in.** All teeth are temporary and set rather loosely in the jaw, especially the two center incisors. The teeth appear longer and narrower. The teeth may or may not be touching in the upper corners. There is often a yellow or off-white discoloration of the teeth near the base at the gum line.
6. Steers for the show and sale must be delivered to the Putnam County Fairgrounds on Saturday, official weigh-in day, between 8:00 a.m. and 10:00 a.m. No steer will be accepted prior to 8:00 a.m. on Saturday. Steers weighing less than 950 pounds will be ineligible for the show and must be removed from the fairgrounds.

7. Steer weights at the official weigh-in will be entered on the entry form. This weight will be the weight used for the gain-in weight contest and the livestock sale.
8. All animals entered and accepted in the steer show must be consigned to the auction sale.
9. Animals will be examined and any animal portraying undesirable traits will be disqualified from participation. Steers must grade US Select or above at fair weigh-in to be shown.
10. Each exhibitor must assume all liability in case of death or injury to his steer until sold, at which time the steer becomes the liability of the purchaser. The Putnam County Fair Authority, Inc. assumes no liability.

Steers must be cared for from the time of arrival until steers are removed. **A red-tag system will be used as follows:** upon checking stalls, if barn supervisor determines housekeeping is below standards a red tag will be issued. Upon receipt of the third red tag, a \$25 fine will be assessed and deducted from exhibitors sale check.
