All mobile units must be inspected for safety. **Food Truck vendors** can apply for a permit good for up to one (1) year **\$250.00** or **single event \$50.00**(date to be in conjunction with suppression system inspection date). This permit is valid also for any special event in Putnam County. It must be renewed with every (year). Fire suppression systems shall be renewed by fire code every 6 months. This document is designed as a guide for mobile/temporary food truck vendors to assist them during the inspection by the Putnam County Fire Prevention Office. There may be other requirements that may surface at the time of inspection. For more information on specific requirements, refer to the Florida Fire Prevention Code or the Putnam County Fire Marshal.
