# **2021 RGVLS CITRUS & VEGETABLE SHOW**

**Frances Cooper Event Center**

**December 17-18, 2021**

RGVLS Citrus & Vegetable Show Committee

Chairman: Brad Cowan

Members: Dr. Juan Anciso, Nelda Barrera, Noel Carreon, Ashley Gregory, Jennifer Herrera, Mike Helle, Mark Miller, Sam Morrow, Richard M. Ruiz, Luis Saldana, Danny Sosebee and Jeff Taylor

**Citrus & Vegetable Check in: Friday, December 17, 2021, 3:00 p.m. to 7:00 p.m.**

## **GENERAL RULES AND REGULATIONS**

1. Age and membership requirements are the same for this show as the market animal divisions of the RGVLS.
2. Participation in this show is limited to students in Cameron, Hidalgo, Starr or Willacy Counties with the exception of the Ag Product ID and Food Challenge, which are open to all eligible youth in Texas.
3. The Show management reserves the right to make changes and additions to these rules and regulations that may be necessary and beneficial to the Show.
4. There shall be no protests and all decisions of the judges and the Show shall be final.
5. Prizes shall be awarded on listed classes. The Show reserves the right to issue prizes only to quality entries as determined by the judges. Unlisted entries of proper quality, size and maturity will be considered for prizes in addition to listed classes. No sweepstakes points will be awarded to unlisted classes of citrus or vegetables.
6. Entries will be free. All entries become the property of the show.
7. All entries shall be checked in with an official entry card furnished by the Show, and must be filled out in pencil (no ink), signed by the contestant and attached to the entry. Grower's name must be on the card.
8. All entry cards must be filled out completely and correctly when presenting entries to the committee. Incomplete or inaccurate entry cards are subject to the entry being disqualified at the discretion of the judges or the committee.
9. Check-in of all citrus and vegetable entries will be 3:00 p.m. - 7:00 p.m. on Friday, December 17, 2021. All exhibitors must be present to check their entries into the show.
10. There shall be two judged divisions: Citrus & Vegetables. Additional events include: Vegetable Garden Contest, Poster Contest, Agricultural Product Identification Contest and Food Challenge.
11. Each contestant is allowed only one entry in each class of citrus & vegetables and may enter a maximum of 15 classes of vegetables and 15 classes of citrus.

12. The Show is not liable for accidents, theft or fire.
13. All entries shall be judged according to U.S. Grades and Standards. Any entry that does not meet "**Preparation of Vegetable Exhibits**" and "**Preparation of Citrus Exhibits**" as attached to these rules, in the opinion of the judges will not be judged. All citrus entries shall reference the Citrus Industry, Vol 1 edited by Reuther, Batchelor and Webber. Main points shall be: **appearance, uniformity of size, shape, color, freedom from damage caused by scars, insects, improper handling, etc.; shipping quality and size.** ALL ENTRIES MUST HAVE BEEN GROWN AND FIELD HARVESTED IN THE RIO GRANDE VALLEY.
14. Each contestant must select, harvest from the field and prepare their own entries. Assistance from parents, Ag Science Teachers, County Extension Agents, 4-H leaders and growers is allowed and encouraged.
15. Use generic ties only, label ties are not allowed.
16. No club or chapter entries will be accepted other than the garden plot.
17. No adult or parental supervision in arranging exhibits at the show will be allowed under penalty of disqualification.
18. Contestants must have the permission of the grower before entering all fields.
19. All entries must be cleaned and prepared before bringing them to the show. Unprepared citrus & vegetables or unwashed root vegetables will not be accepted.
20. Any exhibitor guilty of handling exhibits that have been checked in to the show without permission may be disqualified.
21. Class winners will be awarded as follows: 1<sup>st</sup> place- Blue Ribbon, \$20.00; 2<sup>ND</sup> place- Red Ribbon, \$15.00; 3<sup>rd</sup> place- White Ribbon, \$10.00.
22. In the Vegetable Division, A Grand (\$250) and Reserve (\$150) Champion will be awarded. In the Citrus Division, a Grand (\$200) and Reserve (\$100) Champion will be awarded in both the commercial varieties and All Other varieties. A Best of Show (\$100) will also be awarded in the citrus division.
23. Judges will use a secret ballot when selecting the grand and reserve division champions.
24. Novelty class winners will be awarded as follows: 1st place- Blue Ribbon, \$20.00; 2nd place- Red Ribbon, \$15.00; 3rd. place- White Ribbon, \$10.00. Sweepstakes points will not be given for novelty entries. Novelty classes are:
 

Largest turnip	Best freak or novelty vegetable	Best freak or novelty citrus
Largest head of cabbage	Largest grapefruit	
Longest carrot	Largest orange	
25. Sweepstakes winners will be awarded to individual exhibitors in each division based on points. Points will be awarded on the basis of 20, 15 and 10 points for 1<sup>st</sup>, 2<sup>nd</sup> and 3<sup>rd</sup> place entries. Most first places will be used to

break ties. Sweepstakes winners for each division will be awarded as follows: High Point- \$200 and buckle, Reserve High Point- \$100 and Third High Point- \$50.

26. A plaque will be awarded to the Club or Chapter having the most sweepstakes points. Most first places will be used to break ties. Sweepstakes points will not be awarded for vegetables or citrus entries not on the list of classes.
27. Grower Awards will be presented to the grower having the most number of placing entries in each division.
28. No ice or water will be allowed in the Event Center. No exceptions.
29. All entries must be validated with a Grower Validation Form. **This form must be turned in to the Show** by 7:00 p.m. Friday, December 17, 2021. Entries will not be judged from organizations that do not turn in a validation form. The Show reserves the right to verify information listed on validation forms.
30. Any exhibitor who violates any of these rules will forfeit all privileges and premiums, or be subject to such penalty as the RGVLS Board of directors or the Citrus & Vegetable Show Committee (referred to simply as the "Show") may determine.

# GROWER VALIDATION FORM

## RGVLS CITRUS & VEGETABLE SHOW

List the grower's name, address, phone number and all varieties of citrus and vegetables that are to be harvested from the grower's farm. Use one form per grower. This form may be duplicated. Turn in validation form to the Show by the conclusion of the entry check-in.

## PREPARATION OF VEGETABLE EXHIBITS

1. All vegetables shall be prepared by the exhibitor as directed in the **Vegetable Classes with Specifications** section below.
2. All root vegetables must be washed thoroughly and be free of dirt and other foreign matter. All hair roots must be removed.
3. All leafy type vegetables must be washed and be free of insects, dead leaves and trash.
4. Do not wash tomatoes, eggplant, peppers, cucumbers, squash and similar vegetables. Wipe clean with a soft cloth.
5. All vegetables that are to be shown in bunches must be properly tied with commonly used industry tie, No label ties. Plates to display small vegetables will be provided by the show.
6. Cabbage and lettuce - Leave 4 protective leaves, do not trim too close.
7. Yellow Swiss Chard should only be included as part of a Rainbow entry. Yellow only is not considered marketable.
8. All bunch vegetables are shown with full tops.
9. All unlisted vegetables should be entered in quantities and size of bunches of similar vegetables listed in the show rules.

## VEGETABLE CLASSES WITH SPECIFICATIONS

1. **Anise** - 3 marketable plants, roots removed, untied.
2. **Beans (snap)** -15-20 marketable pods.
3. **Beets** - 3 standard bunches, 3 to 4 bulbs per bunch, bulbs 2 to 3 inches in diameter.
4. **Beets (Gold)** - 3 standard bunches, 3 to 4 bulbs per bunch, bulbs 2 to 3 inches in diameter.
5. **Broccoli** - 3 bunches of 3 to 4 clusters each, bunches 6 to 8 inches long, bunches 3 to 6 inches in diameter.
6. **Cabbage (all others)** - 3 marketable heads, well-trimmed, tie optional.
7. **Cabbage (Bok choy)** - 3 marketable heads, 4 protective leaves intact.
8. **Cabbage (green)** - 3 marketable heads, 4 protective leaves intact, minimum 2½ pound heads.

9. **Cabbage (Napa)** - 3 marketable heads, 4 protective leaves intact, minimum 2½ pound heads.
10. **Cabbage (red)** - 3 marketable heads, 4 protective leaves intact, minimum 2 pound heads.
11. **Cabbage (savoy)** - 3 marketable heads, 4 protective leaves intact, minimum 1½ pound heads
12. **Cantaloupe** - 3 marketable fruit, stem intact and trimmed closely.
13. **Carrots (fresh orange)** - 3 standard bunches, 4 to 6 roots, roots ¾ to 1½ inches in diameter.
14. **Carrots (fresh red)** - 3 standard bunches, 4 to 6 roots, roots ¾ to 1½ inches in diameter.
15. **Cauliflower (white)** - 3 marketable heads, minimum of 4 inches in diameter, wrapper leaves trimmed to the crown.
16. **Cauliflower (colored)** - 3 marketable heads, minimum of 4 inches in diameter, wrapper leaves trimmed to the crown.
17. **Celery** - 3 marketable heads, tops uniformly cut ¼ inch above the top node, trim ends, roots removed, untied.
18. **Cilantro** - 3 standard bunches, 1½ to 2 inches in diameter at point of tie.
19. **Collards** - 3 standard bunches, 2½ to 3 inches in diameter at point of tie, stems uniformly cut.
20. **Corn (roasting ears)** - 6 marketable ears, shucks in place, butt end slightly trimmed, tip (silk) end intact.
21. **Corn (sweet)** - 6 marketable ears, shucks in place, butt end slightly trimmed, tip (silk) end intact.
22. **Cucumbers (pickling)** - 6 marketable fruit, maximum of 5 inches in length.
23. **Cucumbers (slicing)** - 6 marketable fruit, minimum of 6 inches in length.
24. **Dandelion** - 3 standard bunches, 2½ to 3 inches in diameter at point of tie, roots removed, crown intact or cut.
25. **Dill** - 3 standard bunches, 2 or 2½ to 3 inches in diameter at point of tie, leaves only, stems uniformly cut
26. **Eggplant** - 3 marketable fruit, stems uniformly cut, approximately ½ inch in length.
27. **Endive** - 3 marketable plants, well-trimmed, roots removed.
28. **Endive (curly)** - 3 marketable plants, well-trimmed, roots removed.
29. **Escarole** - 3 marketable plants, well-trimmed, roots removed.
30. **Fennel** - 3 marketable plants, roots removed, untied.
31. **Frissee** - 3 marketable plants, well-trimmed, roots removed.
32. **Honeydew** - 3 marketable fruit, stem intact and trimmed closely.

33. **Kale (green)** - 3 standard bunches, 2½ to 3 inches in diameter at point of tie, stems uniformly cut.
34. **Kale (red)** - 3 standard bunches, 2½ to 3 inches in diameter at point of tie, stems uniformly cut.
35. **Kale (tuscan)** - 3 standard bunches, 2½ to 3 inches in diameter at point of tie, stems uniformly cut.
36. **Kohlrabi** - 3 standard bunches, 4-5 bulbs per bunch, bulbs 2½ to 3 inches in diameter, roots removed.
37. **Leeks** - 3 standard bunches, 4 ½ to 5 inches in diameter at point of tie, shanks 1 to 1½ inches diameter, tops uniformly trimmed, roots uniformly clipped to ¼ to ½ inch.
38. **Lettuce** - 3 marketable heads, properly trimmed, with 4 protective leaves intact.
39. **Methi leaf**- 3 standard bunches, 2½ to 3 inches at point of tie, stems uniformly cut.
40. **Mustard greens** - 3 standard bunches, 2½ to 3 inches at point of tie, stems uniformly cut.
41. **Onions (green)** - 3 standard bunches, 3-5 bulbs per bunch, bulbs 1¾ to 2¾ inches in diameter, full tops, roots clipped to ½ inch.
42. **Onions (knob)** - 3 standard bunches, 3-5 bulbs per bunch, bulbs 1 to 1½ inches in diameter, full tops, roots clipped to ½ inch.
43. **Okra** - 10-12 pods uniform in size.
44. **Parsley (curly)** - 3 marketable bunches of leaves, 2½ to 3 inches in diameter at point of tie.
45. **Parsley (plain)** - 3 marketable bunches of leaves, 2½ to 3 inches in diameter at point of tie.
46. **Parsley (root)** - 3 standard bunches of entire plant, 2½ to 3 inches in diameter at point of tie, roots straight and white.
47. **Parsnips** - 3 standard bunches of entire plant, 6 to 8 roots, ¾ inch to 1½ inches in diameter at point of tie.
48. **Peas (southern- all varieties)** - 15-20 marketable pods.
49. **Pepper (sweet bell- green)** - 6 marketable fruit.
50. **Pepper (sweet bell - red)** - 6 marketable fruit.
51. **Pepper (sweet bell - all others)** - 6 marketable fruit.
52. **Pepper-(all others)** - 10-12 marketable fruit with full stems.
53. **Pepper (jalapeno)** - 10-12 marketable fruit with full stems.
54. **Pepper (serrano)** - 10-12 marketable fruit with full stems.

- 55. Pumpkin** - 1 marketable (mature) fruit with stem.
- 56. Pumpkin (miniature)** - 4 mature fruit with stems.
- 57. Radishes (all others)** - 3 standard bunches, 6 to 10 bulbs per bunch, bulbs 1 - 1 3/8 inches in diameter, tops on.
- 58. Radishes (black)** - 3 standard bunches, 3-4 bulbs per bunch, bulbs 2 to 3 inches in diameter.
- 59. Radishes (daikon)** - 3 uniform plants, untied, roots 1 3/4 to 2 1/2 inches in diameter.
- 60. Radishes (red)** - 3 standard bunches, 6 to 10 bulbs per bunch, bulbs 1 - 1 3/8 inches in diameter, tops on.
- 61. Spinach** - 3 standard bunches of plants, crown intact or cut, roots removed.
- 62. Squash (summer type)** - 6 marketable fruit if of the zucchini, Mexican, scallop or yellow variety. Other summer type varieties are permitted (one entry only, exhibitor chooses variety.).
- 63. Squash (winter type)** - 3 marketable fruit if acorn, butternut, cashew, kabocha or spaghetti variety. Other winter type varieties are permitted (one entry only, exhibitor chooses variety).
- 64. Swiss chard (red)** - 3 standard bunches 2 1/2 to 3 1/2 inches in diameter at point of tie, stems uniformly cut, stem length 6-8 inches.
- 65. Swiss chard (green)** - 3 standard bunches 2 1/2 to 3 1/2 inches in diameter at point of tie, stems uniformly cut, stem length 6-8 inches.
- 66. Swiss chard (rainbow- mix of red, green & yellow)** - 3 standard bunches 2 1/2 to 3 1/2 inches in diameter at point of tie, stems uniformly cut, stem length 6-8 inches.
- 67. Tomatoes (green, globe type)** - 6 marketable fruit, stems intact and trimmed closely.
- 68. Tomatoes (ripe, globe type)** - 6 marketable fruit, stems intact and trimmed closely.
- 69. Tomatoes (ripe, cherry)** - twenty (20) tomatoes, 1/2 inch or less in diameter, stems intact and trimmed closely.
- 70. Tomatoes (ripe, processing type)** - 12 marketable fruit (includes Chico III, plum, and square shaped varieties) stems intact and trimmed closely.
- 71. Turnip greens** - 3 standard bunches 2 1/2 to 3 inches in diameter at point of tie, well-trimmed, stems uniformly cut.
- 72. Turnips** - 3 standard bunches, 3 or 4 bulbs per bunch, bulbs 2 to 3 inches in diameter.
- 73. Watermelon** - 1 marketable fruit, stem intact and trimmed closely.

#### **Other Possible Entries**

- 1. Avocados** - 3 marketable fruit, must leave the bud.
- 2. Persimmons** - 10-12 marketable fruit, must leave the bud

## PREPARATION OF CITRUS EXHIBITS

1. Each exhibit will consist of four fruit. Buttons must be intact and clipped closely.
2. All fruit must be of natural color (no color-added or waxed fruit) and show quality. Fruit that does not meet quality standards will not be accepted.
3. All fruit must be cleaned and prepared before being brought to the show. Each specimen in the exhibit should be free of blemishes, chemical residues, scale insects and sooty mold. Fruits with obvious punctures or excessive wind-scar blemishes should not be used. Unprepared or unwashed fruit will not be accepted.
4. One of the four fruit will be cut in half by the show for internal inspection. The exhibitor may write a "C" next to the button of the fruit they want cut. If a fruit is not marked, Show Officials will select the fruit to be cut. A button is not required on the cutter fruit.

### CITRUS CLASSES

#### A. Commercial Citrus Varieties

- |              |                  |             |                        |
|--------------|------------------|-------------|------------------------|
| 1. Ruby Red  | 4. Ray/Henderson | 7. Valencia | 10. Pineapple          |
| 2. Star Ruby | 5. Hamlin        | 8. Navel    | 11. Persian Lime       |
| 3. Rio Red   | 6. Marrs         | 9. Jaffa    | 12. Sunburst Tangerine |

#### B. Other Varieties

- |                       |                   |                      |                       |
|-----------------------|-------------------|----------------------|-----------------------|
| 13. Duncan Grapefruit | 15. Blood Orange  | 17. Marsh Grapefruit | 18. Foster Grapefruit |
| 14. Red Navel         | 16. Temple Orange |                      |                       |

#### C. Mandarins and Mandarin Hybrids

- |                                     |                      |                      |
|-------------------------------------|----------------------|----------------------|
| 19. Clementine (Algerian) Tangerine | 21. Orlando Tangelo  | 23. Minneola Tangelo |
| 20. Dancy Tangerine                 | 22. Thornton Tangelo |                      |

#### D. Acid Citrus

- |                  |                 |                     |                  |
|------------------|-----------------|---------------------|------------------|
| 24. Eureka Lemon | 25. Meyer Lemon | 26. Ponderosa Lemon | 27. Mexican Lime |
|------------------|-----------------|---------------------|------------------|

#### E. Novelty Citrus

- |                   |                    |                            |
|-------------------|--------------------|----------------------------|
| 28. Calamondin    | 30. Nagami Kumquat | 32. New Zealand Grapefruit |
| 29. Meiwa Kumquat | 31. Pummelo        |                            |

#### F. Rootstocks

- |                 |                       |                        |
|-----------------|-----------------------|------------------------|
| 33. Sour Orange | 34. Swingle Citrumelo | 35. Cleopatra Mandarin |
|-----------------|-----------------------|------------------------|

#### G. Clusters

- |                |             |           |
|----------------|-------------|-----------|
| 36. Grapefruit | 37. Oranges | 38. Other |
|----------------|-------------|-----------|

A cluster will be considered as fruit on a common, unbranched limb. Split or multiple clusters (due to branching) will be considered only as to the larger or largest single cluster present. Prize for largest number of fruit – \$10.00. Prize for best quality cluster \$10.00 One cluster could win both quantity and quality awards. **A cluster entry does not count in the 15-entry limit.**

## BASKET CONTEST

1. All of the general rules and regulations except those specifying awards will apply to this division.
2. This is an individual event only, competing in three age divisions:

Juniors	Grades 3-5 (age 9 or 8 if in the third grade, minimum)
Intermediate	Grades 6-8
Senior	Grades 9-12

3. Each entry will consist of one basket of citrus and/or vegetables. The show will provide the baskets and only those baskets will be allowed to be used. All citrus/vegetables must be supported by the basket. The basket may be tipped and supported in position by blocks supplied by the show, but the rim must not touch the table. Contents may touch the table to make an artistic display, but all the citrus and vegetables must be in/on the basket.
4. No citrus or vegetables other than those listed in the Show Class lists shall be used. Entries may be examined.
5. A minimum of 8 kinds of citrus and/or vegetables shall be visible.
6. Vegetables and citrus shall be of number one quality.
7. All entries become the property of the Show.
8. Each contestant will be limited to one space provided by the show.
9. Basket entries must be prepared at the show in the area designated by the Show during the check-in time.
10. Baskets will be judged on artistic arrangement, quality of fruit and vegetables and number of different kinds of fruits and vegetables.
11. Prizes will be awarded within each age division: First place \$50.00, Second \$40.00, Third \$30.00, Fourth \$20.00 and Fifth \$10.00.

# VEGETABLE GARDEN CONTEST RULES

## RGVLS Citrus & Vegetable Show

**Entry Deadline: November 1, 2021**

1. Any 4-H, FFA or FCCLA member and any 4-H Club, FFA or FCCLA Chapter or may enter the Vegetable Garden Contest as an individual or a team (one or the other, not both. Family members may enter as a team). The objective of this contest is to encourage youth to grow their own vegetables and to provide an opportunity for youth to enter vegetables they have grown in the show.
2. **Entry form for this contest is due by November 1, 2021** by completing the attached form and turning it in to the Rio Grande Valley Livestock Show Office.
3. The contestants must do the actual work of seeding, transplanting, cultivation, watering, weeding, hoeing, insect and disease control, harvesting, preparation and arrangement of the exhibit. Assistance from parents, Ag Science Teachers, County Extension Agents and 4-H leaders is allowed and encouraged. Land preparation may be done by someone other than the contestant.
4. Supervision and certification of this project must be made by the Ag Science Teacher or 4-H Leader as the case may be and periodic checks including site visits may be made by the Show Committee.
5. Each exhibitor/team will set up a display table of vegetables they have grown on an 8' table provided by the Show. Vegetables on display in this contest are not limited to the preparation guidelines. Only vegetables grown by the individual or team may be on the display table. Live plants in pots may be taken back home after judging, all other display items must remain at the show.
6. Setup and arrangement of the display table must be made only by the individual/members of the team. Setup of all tables will be held during the Citrus and Vegetable Show check in times.
7. A minimum of 3 varieties from the vegetable show list must be grown and exhibited in the garden contest. The size of the garden will not to be considered by the judges.
8. Vegetables grown under these rules **are eligible** to be entered in the vegetable show division and must follow all the rules of that division.
9. Planting dates are determined by the exhibitor(s) as they consider days needed to mature to market readiness.
10. Production records must be kept on the form provided by the Show or records of the exhibitor's own design that includes the information requested. Records including photographs must be included on the display table.
11. All chemicals used for insect, disease and weed control must be in compliance with EPA label regulations and records of all applications must be recorded and become part of the production records.
12. Judging will be based on quality of vegetables, number and variety of vegetables produced, arrangement of display and quality of production records and photos
13. The following prizes will be awarded: 1<sup>st</sup> Place- \$500 and banner, 2<sup>nd</sup> Place- \$300 and ribbon, 3<sup>rd</sup> Place- \$200 and ribbon. All non-placing individuals/teams who exhibit an appropriate display table showing 10 or more varieties of vegetables and have complied with all the Vegetable Garden Contest rules will receive an honorable mention prize of \$100.00.

**VEGETABLE GARDEN CONTEST  
APPLICATION FORM**

RGVLS Citrus and Vegetable Show

**Entry Deadline: November 1, 2021**

This application must be completed and mailed or delivered to the Rio Grande Valley Livestock Show, 1000 N Texas Ave, Mercedes, Texas 78570 on or before the deadline.

Entering as: \_\_\_\_ Individual or \_\_\_\_ Team (List all members of the team)

# VEGETABLE GARDEN CONTEST PRODUCTION RECORDS

## RGVLS Citrus & Vegetable Show

Name(s) of Exhibitor		Club or Chapter

G Team entry or G Individual entry. For team entries, each team member may complete this form to describe their participation in the project or cooperate to complete one record for the group that each member contributes to. Participants are encouraged to add additional pages to these records as needed.

In the table below list each vegetable you planted. Include any that were not grown to harvest.

No	Name of Vegetable	Seed Company	Name of Variety	Date Planted	Date Harvested
1					
2					
3					
4					
5					
6					
7					
8					
9					
10					
11					
12					
13					
14					
15					
16					
17					
18					

Describe your garden location, size and what type of soil is located there. (raised bed, container culture, in-ground, row cover, etc.)

Describe tillage practices, soil preparation prior to planting, etc. (Describe what was done and note if you did it or someone else did it)

Describe your irrigation methods used and the frequency of irrigation needed.

Describe your weed control. If you used mulch describe what you used. If you used herbicides, list them.

Describe any insects observed and what you did to control them if control measures were initiated. List any insecticides used and note which vegetable and which insect it was used for.

Describe any plant diseases observed and what you did to control them if control measures were initiated. List any fungicides used and note which vegetable and which disease it was used for.

Describe other information you want the judges to know about, both successes and failures.

Attach up to ten photos of the garden plot. Include at least one photo at planting and one photo at harvest. Photos should show progression of the vegetables during the growing season and exhibitor(s) working in the garden are preferred.

Signature of Exhibitor(s)		Date
Signature of Supervising 4-H, FFA or FCCLA Leader		Date

# POSTER CONTEST RULES

## RGVLS Citrus & Vegetable Show

1. The Poster Contest is open to all 4-H, FFA and FCCLA members in good standing.
2. This is an individual or team event of 1 to 3 members competing in three age divisions (ages as of August 31):  
Individuals will compete against other individuals and teams will compete against other teams. Mixed age teams will compete in the older age division.

Junior	Grades 3-5 (age 9 or 8 if in third grade, minimum)
Intermediate	Grades 6-8
Senior	Grades 9-12
3. Only one poster per individual or team is allowed. A contestant may not enter both an individual poster and a team poster. Individuals and teams will not compete against each other.
4. Posters are to feature the human nutritional and health benefits derived from eating fruits or vegetables commercially grown in the Rio Grande Valley. At least one fruit or vegetable from the RGVLS Citrus and Vegetable Show list must be the central subject of the poster. Posters may contain tables, graphs, charts, photographs and diagrams.
5. Entries must be on a standard 3-fold upright, self-supporting, reinforced poster or fiber board (approximately 4' x 3'). Posters will be judged on their educational value, neatness and readability, along with the inclusion of information and references. No props will be allowed. Everything must be firmly attached to the poster.
6. The poster exhibit should contain a title in the center section, photos or drawing of the fruit or vegetable featured with organized headings. The title must contain the common name and the scientific name of the fruit or vegetable; begin with an introduction or history of the crop in south Texas; growing conditions; planting information; pests and diseases or some common problem; storage, handling or preparation information; and the human nutritional and health benefits of consuming the fruit or vegetable. Other interesting information may also be included.
7. Three major sources of information should be listed in the bottom left corner of the poster, which includes the author's name, publication date, and title of article or chapter in book, publication title and publisher's name. Although more resources of information may be used, keep the listing to the 3 major sources. Print this information in 12 pt. type. At least one resource listed must be from a book. Information should be as specific to South Texas as possible, answering the question: How does South Texas contribute to the production of the crop? Additionally, list resources for the health and nutrition of the chosen crop. For assistance with reference material, contact the Texas A&M AgriLife Extension Service office in your county.
8. Headings and typeface should be legible from a distance of 3 feet. They should be in 16 point or larger using a simple, clearly read font. If handwritten, information should be printed in a legible fashion.
9. The following prizes will be awarded to the winners in each age division for both the individual posters and the team posters.

•1st Place \$50	•2nd Place \$40	•3rd Place \$30	•4th Place \$20	•5th Place \$10
-----------------	-----------------	-----------------	-----------------	-----------------
10. There is no pre-registration for this contest. Posters must be delivered to the Rio Grande Valley Livestock Show Office during these times: 8:30 a.m. – 4:30 p.m. December 15, 2021 or 8:30 a.m. - 5:00 p.m. December 16, 2021. Posters turned in late may not be judged.

# **Agricultural Product Identification Contest**

**RGVLS Citrus & Vegetable Show**

**Entry Deadline: November 22, 2021**

**Event Date: December 18, 2021 at 9:00 a.m.**

**Frances Cooper Event Center (2nd Floor)**

Contest developed by Texas 4-H Youth Development Program  
and adapted by the Rio Grande Valley Livestock Show & Rodeo

**Chairman:** Barbie Wymore

**Members:** Nelda Barrera and Luis Saldana

This event is subject to the Rio Grande Valley Livestock Show General Rules and Regulations and the Special Rules of this section. Where special rules conflict with other rules, Special Rules prevail.

Special Rules for Agricultural Product Identification Contest:

## 1. Eligibility:

- This event is open to the first 100 teams to successfully submit an entry form. The entry deadline is November 22, 2021.
- Students must be in the 3rd grade up to the 12th grade.
- Students must be enrolled in public, private, or homeschool in Cameron, Hidalgo, Starr, or Willacy Counties. College or university students are not eligible.
- This is an individual or team event of 1 to 4 members competing in three age divisions (ages as of August 31). Mixed age teams will compete in the older age division.

Junior	Grades 3-5 (age 9 or 8 if in third grade, minimum)
Intermediate	Grades 6-8
Senior	Grades 9-12
- Team scores will be calculated based on the highest total score of three (3) team members.
- Each team must be certified by a 4-H club manager, Ag Science Teacher, or school sponsor/official.
- Contestants must meet academic eligibility rules as identified in the UIL Side-by-Side document.
- Teams must check in by 8:30 a.m. the morning of the contest.

## 2. Conduct of Contestants:

- There will be no talking between contestants during the contest. Violating this rule may cause the contestants and their team to be disqualified and ineligible to receive awards.
- Only contestants and contest officials will be allowed in the contest area during the competition.
- Contestants must have their contest number clearly visible on their clothing.
- Contestants cannot smoke or use any tobacco products in the contest facilities.
- Contestants must advance from one exhibit to the next when instructed to do so.
- Contestants must evaluate each exhibit in sequence and will not be allowed to return to any exhibit after advancing.

- Contestants should not in any way willfully obstruct the work of another contestant.
  - If an ineligible contestant is permitted to judge, the team and individual members of that team will be ineligible for prizes and future entry into this contest may be denied to the school, County 4-H, or FFA Chapter.
  - No electronic communication devices will be allowed in the contest area.
  - Contestants will not be allowed to bring/use any materials (written/printed) while in the contest.
3. Contest Format: Twenty (20) Texas agricultural products selected from the **Texas Agriculture Product List & RGV Addendum** will be exhibited at separate stations.
- Contestants will select the correct identification of each product from four possible answers. In addition, each station will have one multiple choice question pertaining to the product on display. Question may be:
- a) General to the industry that produced the product (i.e. Texas’ national ranking, economic impact to Texas, general nutritional content, region of production); or
  - b) Specific to the individual product that is on display (i.e. cooking method, use, growing season, specific nutrition of the cut or variety). Contestants will be allowed 30 seconds at each station before they are asked to advance to the next station.
4. Scoring: Contestants will receive five (5) points for each product that is correctly identified and five (5) points for each question that is correctly answered. Points will only be awarded on the follow-up questions (pertaining to the product displayed) if the product is correctly identified.

Total Points Possible

Individual.....	200 points
Team.....	600 points

5. Ties: Seven (7) stations will be selected as tie breakers in advance of the contest. Teams with the highest cumulative scores at these seven (7) stations will win any ties. If ties still remain, winners will be determined by the toss of a coin.
6. References: The following websites are recommended references. Teams will also benefit from their own web searches and by visiting supermarkets to view products listed on the Texas Agriculture Product List & RGV Addendum.
- A. Texas A&M AgriLife Extension’s Texas Horticulture & Crops <http://aggie-horticulture.tamu.edu/extension/TexasCrops.html>
  - B. USDA Cuts of Beef <http://consumer.certifiedangusbeef.com/cuts/Default.aspx>
  - C. Pork Cuts <http://www.texaspork.org/Consumer.html>
  - D. Texas Agriculture Products <http://www.beagsmart.org>
  - E. H.E.B. <https://www.heb.com/category/shop/food-and-drinks/fruit-and-vegetables/2976>
7. Awards will be presented in each of the three age divisions:
- Teams            1<sup>st</sup> - 5<sup>th</sup> banners
  - Individuals    1<sup>st</sup>            buckle and banner
  - 2<sup>nd</sup> - 5<sup>th</sup> banners

# FOOD CHALLENGE

RGVLS Citrus & Vegetable Show

**Entry Deadline: November 22, 2021 by 5:00p.m.**

**Event Date: December 18, 2021 at 10:00 a.m.**

This event is subject to the Rio Grande Valley Livestock Show & Rodeo General Rules, Junior Rules, and Special Rules listed in this section.

The Texas 4-H Food Challenge Guidelines can be accessed at <http://texas4-h.tamu.edu/projects/food-nutrition/>.

1. **Entry:** Contestants must complete an entry form and submit it to the RGV Livestock Show Office by the Entry Deadline. There is no registration fee for this event. Teams must check in by 9:30 a.m. the morning of the contest.

2. **Eligibility:** Contestants must meet all Junior Show Rule Requirements.

3. **Divisions:** This is an individual or team event of 1 to 4 members competing in three age divisions (ages as of August 31. Individuals will compete against teams. Mixed age teams will compete in the older division.

Sub-Junior      Grades 3-5 (age 9 or 8 if in third grade, minimum)

Junior            Grades 6-8

Senior            Grades 9-12

4. **Assigned Cook Time:** Contestants will be notified of their assigned cook time and must register at least 30 minutes prior to their assigned cook time.

5. **Contest Format:** The Fruit & Vegetable category will be the exclusive category for this event.

6. **Rules of Play:** The following is a summary of the contest procedure and rules:

A. Preparation: Contestants will be provided with a set of ingredients, reflective of the assigned category, and will create a single dish (not a full meal) using them. Contestants are challenged with creating their own recipe with the ingredients provided. Each ingredient provided must be incorporated into the dish; however, the exact amount of each ingredient to use may be determined by the contestant.

B. Resources: Contestants will be provided with nutrition and food safety resources at the food preparation station to use in preparing their presentation. Prices of each ingredient will also be provided to contestants to use in analyzing the cost of the dish created. A worksheet will be provided for contestants to write down the recipe invented, as well as other key points to highlight in the presentation to the judges.

C. Presentation: After the preparation time, contestants must present their dish and give an oral presentation to a judging panel.

7. **Time:** Contestants will have 40 minutes for the preparation portion of the contest (prepare a dish, plan a presentation and clean up their assigned preparation area). Five (5) minutes are allowed for the oral presentation, followed by three (3) minutes for judge's questions.

- 8. Question/Answer Period:** At the conclusion of each contestant's presentation, judges will have three minutes to ask questions of the contestants related to the dish prepared and knowledge of nutrition, food safety and food preparation.
- 9. Supplies:** Contestants must supply their own equipment for the Food Challenge. Contestants may only bring the supplies listed in the official supply box list (see below). Supply boxes will be checked by contest officials. Contestants should plan to not have access to a kitchen facility and, therefore, should plan to clean supplies upon returning home from the contest.
- 10. Dress Attire:** Contestants should dress appropriately for food preparation and presentation to the judging panel.
- 11. Categories Description:** The Fruit & Vegetable category includes side dishes or foods that are usually served along with a main dish or as accompaniments to the main course.
- 12. Awards:** 1<sup>st</sup> – 5<sup>th</sup> banners will be presented in each of the three age divisions.
