MARKET RABBIT DIVISION RULES

NOTICE TO EXHIBITORS

All sifted rabbits must be removed from the Showgrounds immediately after sifting. All others must be consigned by the exhibitor and or buyer to the processing plant, individual, etc. assigned by the Show Management. Violation of this rule will result in exhibitor being barred from future shows.

Validation of market rabbits will take place Saturday, February 19, 2022, from 9 a.m. to 2 p.m. at the RGVLS Showgrounds in Mercedes for a \$5 per breed. The exhibitor may validate as many market rabbits as they like. This will be a drive thru validation. Please turn off vehicles upon entering the validation area and follow instructions given by the Market Rabbit Validation Committee.

There will be not tattoos, markings, written marker or symbols allowed in any market pen rabbit's right or left ear. One tattoo will be used for all validated market rabbits and will be done so by the Market Rabbit Committee on validation day. If a different tattoo, marking, written marker or symbol

other than the RGVLS tattoos, in either the left or right ear, shows up in the market rabbit pen during the 2022 show, the entire pen will be disqualified. The rules and regulations will be handed to every exhibitor during validation that will include information on the rules, proper carrying cages, metal feeders, water bottles and number of market pen rabbits allowed to bring to the sift and the Show; these rules and regulations must be signed by the exhibitor and returned back to a committee member.

1. Each exhibitor must be a bona fide member of a 4-H Club or FFA Chapter, enrolled in elementary, secondary or home school and reside in Cameron, Hidalgo, Starr or Willacy counties.
2. 4-H and FFA exhibitors must be in third grade or nine years old but under twenty as of January 1, 2022
3. Livestock projects must be raised at the physical address of validation record. Prior approval must be granted by the "Species Specific County-Level State Validation Committee" in the event the animal will be outside the direct care of the exhibitor, immediate family/guardian, and/or the supervising County Extension Agent or Agricultural Science Teacher. Failure to gain approval from the supervising Agricultural Science Teacher/County Extension Agent and the Species-Specific County-Level State Validation Committee will result in the disqualification of all state validated livestock.
4. An exhibitor can enter only one pen. The pen is to consist of three rabbits, all the same breed or they will be sifted. DO NOT BRING 4 RABBITS TO THE SHOW AND NOT TWO SEPARATE BREEDS. FOR EXAMPLE: 2 CALIFORNIANS AND 1 CROSS BREED THAN CALL THE SET CROSS BREED. Choose the 3 you want to enter before you get to the showgrounds. Please bring the 3 rabbits in wire carrying cage with lifted wire bottom. No laundry baskets, pet carriers, cardboard boxes or milk crates. Rabbits must be presentable to the judge and rabbit committee at the time of sift. Animals must be clean and dry or the pen of rabbits will be sifted.
5. Rabbits will be weighed on an official show scale at time of entry
6. Rabbits will be sifted in accordance with the current American Rabbit Breeder Association's (ARBA) Standard of Perfection. Defects include, but are not limited to:
 - a. Must weigh at least 3 ½ pounds but no more than 5 ½ pounds at the sifting weigh in. If any one rabbit in the pen weighs less than 3 ½ pounds or more than 5 ½ pounds, the entire pen will be sifted

 8. Judge will have final say if the animal is show worthy or will be sifted
 9. A pen of rabbits, which in the opinion of the sifter, does not meet ARBA Breed Standards of the breed in which it is entered, will be moved to the proper breed by the sifter
 10. After rabbits have been accepted by the Show, no exchange of animals may be made. To do so will disqualify the exhibitor
 11. Weighing/Sifting/Classifying of Market Rabbits – Only one parent or Ag Teacher/Club Manager will be allowed in the rabbit area during the sift for a 15-minute time frame to help the exhibitor with unloading of rabbits. The exhibitor can hang their flip top metal rabbit feeders, 32 oz. water bottles and give rabbits water during this time. Feeding can be done after the sift is over. Signage, show supplies and show boxes can be delivered after sifting is completed.

Each exhibitor must identify the breed of their rabbits at the time of check in/sift.

Only FLIP TOP METAL RABBIT FEEDERS (through the cage type and big enough to hold enough feed for 3 rabbits each day) and one or two 32 ounce or larger bottle type waterier, so rabbits will have enough water during warm weather. No crocks or bowls allowed.

Each exhibitor will be responsible for feeding and watering their rabbits each day until rabbits are loaded out at the end of the Show. Failure to do so may disqualify the exhibitor, at the Boards discretion, from showing the following year.

The rabbit area will be open from 9 a.m. to 9 p.m. each day. RABBITS MUST HAVE WATER AT ALL TIMES. THEY MUST BE FED BY 7 P.M. EACH DAY. THIS RULE WILL BE STRICTLY ENFORCED.

12. The livestock show will not be responsible for any rabbits that get sick or expire while on exhibit or in case of fire
13. No oils, polishes, powders, wipes or other products may be used which would cosmetically alter the rabbit's naturally groomed appearance at sifting or at the show table
14. Rabbits will be judged in accordance with the American Rabbit Breeders Association's (ARBA) Standard and Guide for Judging Meat Classes. Judges will additionally refer to the appropriate Breed Standards, as they deem necessary

15. The four judging factors are as follows:
- MEAT TYPE – 40% - Look for fryers that are compact, short and well filled out with rounded solid flesh. Protruding hips, pin bones, back bones (spines), etc. are faults. Look for wide, deep loins, thickness of the hindquarters and well-developed shoulders. Hindquarters are most important. Loin is next and shoulders are third in importance
 - CONDITION – 30% - All three rabbits in the pen should be in prime condition
 - UNIFORMITY – 20% - The pen must reflect uniformity of weight, size, appearance, condition, meat type and fur
 - FUR – 10%
16. General public and spectators will not be allowed to handle any exhibitor's rabbit at any time during the week of the Show. Only the exhibitor, FFA Leader, 4-H project leader, parent or legal guardian will be allowed to handle their own individual, club or chapter's rabbit projects at any time during the week of the Show.
17. Exhibitors will be required to display their rabbits at the show tables as directed by the judge. Any exhibitor who places in their class must remain in the rabbit barn until advised to leave. Failure to remain in the area will result in forfeiture of any further placing.
18. No locks will be permitted on cages after judging takes place. Cages may be locked until judging. Any locks found on cages after judging will be cut off. Nothing shall be displayed or attached to or below the rabbit cages other than pen assignment signage attached by rabbit committee. Nothing should be placed in empty cages
19. Delivery of rabbits to buyer or his agents will be made on Sunday, March 20. Feeders and water bottles may be removed after load out
