Citrus Exhibit

Vegetable Exhibit

Agriculture in the RGV is vital and teaching our youth about its importance is just as vital. Every year RGVLS hold the Citrus & Vegetable Show to promote the education of agriculture to the youth of the valley. This event gives students the opportunity to work hand in hand with local growers, learning about varieties of crops grown in the RGV, how to harvest the very best produce, and, finally, have the opportunity to display what they have learned. This show offers different events for students to participate in. These events range from a Poster Contest, Ag Product ID, Food Challenge Cooking Contest and even growing their own garden plot. We would like to extend an invitation to you to help sponsor this amazing event. Thank you for your continued support of RGVLS and its exhibitors!
