

2024 District Education Fund Scholarship Application

Do you have a staff member, seasonal worker or volunteer that would benefit from attending the Rocky Mountain Association of Fairs Convention but you don't have the funds to send them?

Each RMAF District has funds that they designate to help you!

\$500.00 may be awarded in the following categories for each District:

★ First Time Attendee ★ Financial Hardship ★ Under 40

- Applicants must be active with a current member fair or festival (board member, employee, or volunteer)
- Applicants can only receive one (1) scholarship - even if they qualify in more than one category.
- Scholarship funds will be paid in advance but if for any reason the recipient is not able to attend, the entire amount must be returned to RMAF within 30 days of the convention.
- Scholarships are not transferable.
- Completed applications must be emailed to rmaf.office@gmail.com by October 11, 2024
- Recipients will be notified by October 18, 2024
- Applications will be judged by a committee for each District, appointed by the District Director. Scores will be tabulated and the recipients notified by the District Director.
