

The logo features a stylized 'RV' in red and blue, with a white star on a blue background, all enclosed in a white circle. The background of the top left corner is a dark purple triangle.

RED RIVER VALLEY FAIR ASSOCIATION

Agriculture Education Internship

As our Agriculture Education Intern, you will help create an Agriculture Education Center that offers our Fairgoers an exciting and educational experience. You will act as the host of the center while being a resource person and livestock attendant. Every day you are using the knowledge you have and learning additional skills to care for animals, create curriculum and hands on activities.

This position is full time through summer, and some hours in fall, if your schedule permits. We are a fair so of course we have a fun environment filled with adventures and tasks each day. You will never be bored and even get paid to have fun!

To thrive in this position, you must be an advocate for local agriculture. You possess knowledge in tending to livestock and maintaining barn cleanliness. You are comfortable working with the public and directing volunteers. Whether through upbringing or past experience, you are familiar with farm life and livestock care. Additionally, you have experience in creating documents using Word and PowerPoint for school, clubs, or organization.

This is not like many jobs where you will sit behind a desk all day. You will work with a great group of people that collaborate on ideas and make the fun happen.

Ideal start date of April 1st, with the flexibility to accommodate a school schedule.
