

Job description

We are looking for an operations team member that has mechanical skills and experience to maintain our vehicles and equipment. There is diesel and gas equipment along with hydraulic needs. We are seeking someone who is a self-starter that will create a maintenance routine. Along with being the mechanic you will be part of the general operations team performing event set ups/teardowns, grounds maintenance, snow removal, etc

To thrive in this position, you have mechanical experience and can operate equipment. If you can weld that would be super helpful! You should like working independently.

We are looking to add a full-time employee that will receive our full benefit package which includes completely paid single coverage of health, dental, vision, long and short-term disability. We also have a great paid time off policy.

We are a Fair so of course we have a fun environment filled with new adventures and tasks each day. You will never be bored! You will work with an excellent group of people that collaborate on ideas and make the fun happen.

Interested, good, now apply at redrivervalleyfair.com/employment
