LIVESTOCK EDUCATIONAL DISPLAY

The purpose of this category is to encourage exhibitors to include, with their exhibit, a brief educational display for fairgoers. The most effective way to educate the public is to talk to exhibitors, but it is our belief this division will invite and encourage questions creating an interest and understanding of what they are viewing in the livestock areas.

SPECIAL RULES & GUIDELINES

1. Prepared by the exhibitor only. One (1) entry per class per exhibitor.
2. Displays must be made on a Science Board.
3. Displays should enhance not obstruct the animals.
4. Displays are only judged once at the judge's convenience.
5. 4H and FFA will be judged together.
