Style Revue Narration

Since the Rock County Fair Style Show will be held the same afternoon as judging, exhibitors are required to write their own style show narrations. These narrations will be read by a narrator as you model your garment for the 6:00 p.m. Fashion Show on Friday, July 29th. The Fashion Show will be held either in the Craig Avenue Pavilion.

Narrations should be typed using a 13pt Times Roman font or neatly printed on a 4x6" notecard or paper. Follow the format below. Each narration should include 6-8 lines or enough text to last 30-40 seconds when read aloud. See the "Narration Tips Sheet," for help. Narrations must be completed by entry time. Please be sure to include the following required information on the card.
