Creating Entries

Each exhibitor can have multiple entries. One entry must be made for each item, animal, class, etc. For example, if an exhibitor is bringing 2 photographs, two entries into the photography class must be created. If an exhibitor is showing one horse in 5 events, five class entries must be created. Once all entries have been created for the first exhibitor, you have the choice of creating another exhibitor in this exhibitor group (and entries) or proceeding to check-out (submitting the entries, whether or not fees are charged).

1. Click Add an Entry beside the correct exhibitor (if more than one has been created).	
1. Click Select beside the first department you wish to enter. Any departments that are not available for entry will be noted as "Not Available" with a short explanation. 2. After you select a department, you will see a list of divisions to select from, and then a list of available classes. *Also notice that there are blue "Change" links in case you mistakenly select an incorrect department, division, or class.* After you have selected the class, click the green Choose button.	
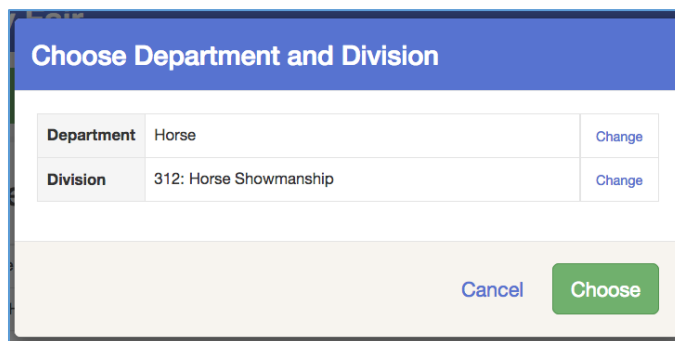

Multiple Entry Process	

3. If your fair or show has turned on the Multiple Entries option for this area, you will see a screen similar to the view at the right. If you do not see checkboxes next to each class, this area uses the single-entry process (see step 14).
4. Click Change to select the Club to which these entries will be associated.
5. If this is an Animal Entry, click Add Animal and enter the Animal's details.
6. If this is a pen or group entry, Add multiple animals and then select to Enter a pen of animals.
7. Select which animals will be part of this entry (NOTE: these animals will be available for this exhibitor to use in other entries, if needed).
Check the box next to each class this animal will enter.

Single Entry Process

12. If your screen does not resemble the picture on the right, your fair may have used the multiple entry process in this area. Repeat steps 5-10. 13. If your screen does resemble this one, select the Class. 14. Click Continue	
15. Select a Club or Chapter for this entry. If this is an open class entry a Club or Chapter may not be required. 16. If this is not an animal class entry, follow the instructions on-screen to enter any additional information such as Entry Description, Custom Questions or Custom Files associated with that entry.	
17. If this is an **animal class entry**, you may be required to specify which animal will be exhibited in this class; that may be optional; or you may NOT be able to specify the animal at entry time. If you are able to do that, you will see the option to "Add an animal". 18. You will have two choices. Select "Choose an Existing Animal Record" to import and select animals from 4HOnline or animals already entered in FairEntry. Choose "Enter a New Animal Record" to enter new animal information. Fill in all of the fields with information about the animal you intend to exhibit. Click Create and Add Animal when	

finished. If the animal information was entered incorrectly, you have the option to either Remove From Entry (creating a new animal) or Edit Animal Details. When it's correct, click Continue.

Any questions or file uploads related to entry in this class will be next. Click Continue after answering those questions or uploading documents.
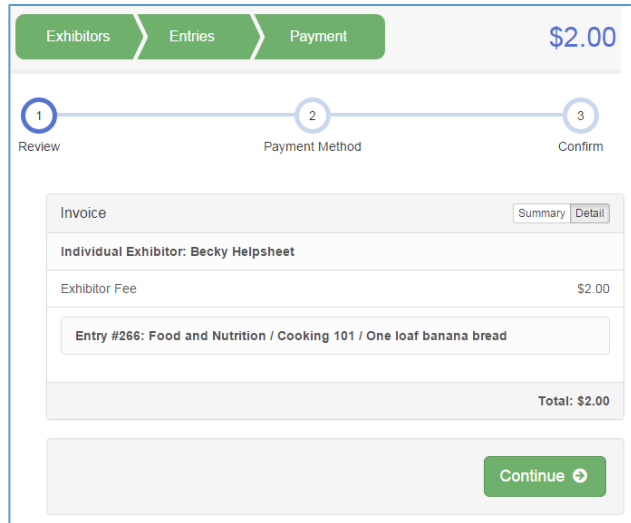

19. When each class entry is complete, you have three choices for what to do next:
    a. If all class entries have been completed for one exhibitor, you can **Register another Exhibitor** in this exhibitor group.
    b. If this exhibitor has more class entries to make, you can **Add another Entry for this Exhibitor**.
20. If all entries for all exhibitors in the exhibitor group have been completed, **Continue to Payment** to finalize and submit your entries.

21. Review your entries for completeness and accuracy. *Notice the Summary and Detail buttons at the top of the list on the right.* If there are errors, click on the green Entries section at the top of the page. Click Continue when all information is correct.

22. Once all entries have been entered for exhibitors in your family, submit the invoice for approval.

    You will receive an email message when the entries have been submitted for approval. You will receive a second email when the entries have been approved.
