Re: Introducing FairEntry – the Online Fair Management System

The Rock County Fair will be using FairEntry online fair management system for the Rock County Fair. Beginning April 1, 2026, please log on to <https://faireentry.com/Fair/SignIn/23682>, faireentry.com from your computer or any mobile device (including smartphones) to submit your entries to the fair. The new online entry system will streamline the entry process so, check-ins, show programs and results can be processed and posted quickly and efficiently at the fair.

Online entries will be required for all exhibitors. The deadline for online entries is [Registration Close Date]. This deadline will be strictly enforced since the system will close entries at 11:59 p.m. CT on this date. Late entries will be allowed for a fee. We have attached instructions for the entry process on the next page.

If you have any questions about the process, feel free to give the fair office a call during regular business hours for assistance. We look forward streamlining these processes to make your fair experience the best yet!

Thank you,

Mary Check, Manager
