Dear Rock County 4-H Fair Gate Personnel:

Preparations are underway for the 2023 Rock County 4-H Fair which is scheduled for Tuesday, July 25th, through Sunday, July 30th. You play such a critical role in the success of our fair and I hope that you are willing to return as a gate worker this summer. We have a couple of changes this year which include the following:

1. We will fully close gate 2 (carnival). If you've worked gate 2 in the past, I'd love to find you a new home at a different gate.
2. I am adding dedicated people to gate 3 (beef barn) in the afternoon to manage handicapped parking. This person will sell/check tickets to the individuals in the car and direct the vehicles to their parking spot. This will help the flow of traffic at that gate. If you are interested in this position, please note that on the form below.
3. We are increasing the hourly wage to \$10.00 for new workers and \$10.25 for returning workers.

Please complete the enclosed form and return to the fair office by June 1, 2023. All gate workers will be asked to attend an orientation meeting held prior to the fair at the fairgrounds. Those in attendance will receive compensation for their time. A notice will be sent out regarding the date and time of the meeting at a later date.

We will try to place returning workers at the same gate location and shift as last year, although, sometimes changes need to be made. Preference may be given to those who commit to working all 6 days. As we are usually in need of additional gate workers, especially the late shift, your suggestions are welcome.

I hope to hear from you soon, but feel free to contact me with any questions you may have.

Sincerely,

Abbey Gasser
Rock County 4-H Fair Treasurer
