

2024 Rockingham County Fair Art Department

Shelby McDorman, Jim Harris

All entries must be original (a work composed firsthand or a product of the artist for these purposes), not previously exhibited at the RCF and completed in the last 2 years. *NOTE: Works and images downloaded or generated from the internet will not be accepted, including images created by Artificial Intelligence (AI). Fair Entry will be used again this year. You can enter your entries earlier from July 1st to August 8. All entries must be delivered with a completed entry form between the hours of 2:00 pm and 6:00 pm on Sunday, August 11, 2024.*

All works, other than sculptures, must be framed (except for Section I) and have a wire attached to the back for hanging, or they will not be accepted. Sculptures are limited to a base of 12" square and a height of 18", or a square footage of 216". An exception to the framing requirement for Sections I through V is that original works on a gallery wrapped canvas will be considered framed, and no additional frame is needed. This does not apply to work done on canvas board.

Section I – Ages 8 and Under

Each submitted work is to be mounted on neutral-colored construction paper with at least a 1" border around the artwork. Please do not otherwise frame the artwork.
