Section II – Sheep

Martha Phillips – Department Superintendent
Lisa Kanney – Assistant Superintendent

Rules and Regulations for Open and Junior Divisions

ENTRIES

1. All entries must be completed on the Fair Entry website <https://www.fairentry.com> by July 1. You will need correct ear tag numbers and birthdates to enter your animals. These will be required fields. Help information can be found at: <https://www.rockinghamcountyfair.com/p/fair-info/fair-entry>
2. All exhibits in this department are subject to the general rules of the Rockingham County Fair Association and Show Ring Code of Ethics. See General Rules and Regulations for health requirements and barn area rules.
3. After registration is submitted, no substitution of animals will be allowed without approval of the Department Superintendents. NO substitution will be authorized after August 07, 2023. Once the show has started there will be no discussion about changing ownership or classes. If you miss your class that animal will be disqualified for pair and group classes.
4. All exhibits must be in place and checked in by 6:00 p.m. on Sunday, August 14, 2023 and remain in place until 9:00 p.m. on Saturday, August 19, 2023.
5. Check-in times will be 2:00 p.m. - 6:00 p.m. on Sunday, August 14 for all Open and Jr Breeding Sheep. If you do not check-in your entries during this time period or made prior arrangements to come at a different time, you will be forfeited from the show.
6. All entries are open to Rockingham County residents and, depending on space, out of county entries will be accepted by invitation only.
7. Sheep Age Requirements: Yearling must be one year and under 2 years at day of show; senior lambs must be born September 1 to December 31 of the preceding year. Intermediate lambs born January 1-February 15 of the current year and junior lambs born on February 16 and after of the current year.
8. Commercial wether type entries will include ewes and rams that are purebred and crossbred.
9. Entries are encouraged from juniors who have ewe lambs **NOT** showing in the market lamb divisions. The only tags that should be visible are the farm tag and their scrapie tag. All commercial ewes will be shown slick shorn. No ewe lambs exhibited in the Market Lamb Show will be eligible to show in the Breeding Sheep Show. (No cross entries)

10. Only two animals per exhibitor will be allowed per class. Only one entry in pairs, pen of 4 lambs (both sexes must be represented) and flock classes. A maximum of 8 head per breed, per exhibitor will be allowed for 2023.
11. Any sheep with percentage papers will show in the Commercial class; example: percentage Suffolk and Dorset Advantage, etc.
12. Judging starts at 10:00 a.m. on Tuesday, August 16.
13. Exhibitors entering animals that are not brought to the fair, will forfeit pen space with no refund. Refunds will only be made with a veterinarian's signed statement. Superintendents will reallocate extra pen space.

ARRIVAL/DURING THE FAIR

1. Sheep must have been recently shorn prior to health papers to be written by a veterinarian and at the arrival at the Rockingham County Fair to accommodate inspections. Fleece length shall not exceed 1/4" at arrival for all Commercial and Southdown breeds as well as any other breeds showing slick sheared (exception provided for breeding sheep shown in fleece or with fitted fleece). Breeding sheep that will be fitted must be washed prior entering the fair and rough cut out.
2. No more than 2-3 animals per pen. Overcrowding will not be tolerated.
3. Fresh water will be provided to sheep at all times by the exhibitor.
4. Tack space will be eliminated to ensure proper housing for the animals. No tack will be allowed until after noon on Monday and will be assigned by Superintendents. No more than one (1) day supply of feed and hay will be kept in the tack area. All bedding and extra feed must be kept in a trailer or brought from home each day. All tack, as space permits, may be shared by several exhibitors.
5. Fitting areas will be located outside the barns or in a fitting area. No fitting inside the hoop barn, unless there is an available vacant pen. All fitting areas are to be cleaned and free from trash and wool after each fitting session.
6. Exhibitors will be responsible for disposing of wool to the designated area in the back of the barn (DO NOT PLACE WOOL AND WET BEDDING IN TRASH CANS)
7. Judge's decision is final.
8. Any animal deemed unsafe will be asked to leave the fairgrounds; including and not limited to destruction of the pens or being a traveler from pen to pen.
9. ALL animals, regardless of breed, will need to be halter or hand broken to show. NO dragging or picking up sheep to and from the show ring – this will NOT be tolerated and will result in the entry being automatically disqualified. The show ring is not a breaking arena.
10. Superintendents have the right to divide classes or to cancel classes due to lack of entries or to adjust class ages.

HEALTH OF ANIMALS:

In keeping with our goal of maintaining the reputation of Virginia's finest agricultural county fair, the sheep superintendents will require that any sheep not in good health, good body condition, and properly groomed for public viewing, be immediately removed from the fairgrounds.

1. A clean bill of health must accompany all sheep being shown and signed by a licensed veterinarian and must be present at check-in. Animals are not to be unloaded until a Superintendent has checked health papers and approved unloading. Sheep diagnosed with lamb fungus, sore mouth or any other contagious disease will not be allowed on the fairgrounds. A notation on the health paper is required from the veterinarian if any fungus or sore mouth is no longer contagious. All animals must be identified with an official USDA tag (Scrapie tag) upon arrival at the fair.
2. Any animals not meeting entry requirements and/or found to have an active case of an infectious or contagious disease or condition will be eliminated from the show and will not be permitted in animal stalling or exhibit areas, and may be required to return to the premises of origin.
3. Club Lamb Fungus: Sheep must be free of clinical symptoms of club lamb fungus (ringworm). Any healed club lamb fungus lesions must demonstrate healthy skin. Sheep with active lesions will not be permitted on the fairgrounds, animal stalling or exhibit areas. An animal that has had a contagious disease and has been successfully treated but still has physical evidence of the disease must be accompanied by a note from an accredited veterinarian on that animal's health certificate regarding the successful treatment of the disease. If no notation is made on the health certificate, a veterinarian will be called to evaluate and rewrite the certificate at the owner's expense.
4. Sheep must be free of clinical signs of sore mouth, foot rot, and Caseous Lymphadenitis. Animals showing clinical symptoms of these conditions will be moved from the exhibition grounds. With reference to caseous lymphadenitis, "clinical symptoms" is used to define abscesses of the lymph nodes, whether draining or not.
5. Any animal that shows evidence of prolapse will be excused from the fair and asked to be taken home. This will forfeit the animal to be shown in its class, pairs, pens and flock classes. Should the animal be taken into the ring it will immediately be excused and disqualified from all other classes.
6. NO muzzles on sheep.
