

Table Setting Contest Rules

Homemaking Departments

Be part of table setting contest!

Each contestant will create a menu only (no food preparation) and set a table for two on the central theme The 75th Anniversary of the Rockingham County Fair!

All participants will share an 8-foot table. This is because of space available.

Contestants will submit their menu before the event so it can be printed and displayed.

Contestants will provide all table coverings, napkins, dinnerware, flatware and decorations needed for two place settings. DEPARTMENT PROVIDES TABLE ONLY.

The contest will be held on Friday, August 18, 2023. Tables can be set anytime during that day starting at 10am but must be completed by 6pm as judging will begin at that time. Winners announced at 6:30pm. The settings will be on display until take down 10 am until noon on Saturday August 19.

We have limited space in the homemaking area so this contest will start out being open to 5 contestants in each division: Ages 4-8, Ages 9-13, Ages 14-19, and Adult and then spaces will be used by any age group. Registration will be through email to bbroadcap@gmail.com. Register ASAP!!! Registration deadline August 1 so open spaces in a division can be given to other participants.
