ARC 2020 Turn-Out Review Committee

Recommendations

1. Prohibit contestants from entering on top of themselves, no same performance allowed except those rodeos that are geographically and time appropriate to meet local conditions.
2. Turn-out fine should be at least equal to the event's entry fee or a minimum of $150.00 for a notified turn-out, with $50.00 to the PRCA office and the remainder of the contestant's fine to the committee. Non-notified turnout fine shall be $350.00, with $50.00 to the PRCA the balance to the committee.
   a. An alternate could be allow contestants a set number of turn-outs, after number is met the fine would start at $150.00 above the entry fees and then escalate with the next turn-out to $250.00 above the entry fees, then to ?. The split would remain the same $50.00 to the PRCA office and the remainder to the committee.
   b. The office shall generate a spread sheet outlining the following data: turn-outs, notified and non-notified, doctor releases and visible injury. The information will be documented on a monthly basis and broken down by event. The report will be for the last month and include a year-to-date quantities. As to the doctor release there will be an accounting that the rule book 2020 R6.7 will be adhered to. All this data will be available to any member. This monthly documentation will be done within 5 working days after the end of the current month.
3. Rodeo approvals applications shall be processed within 10 business days of said rodeo's application being received. The application is deemed processed when the Rodeo Committee Sign-off Form has been sent back to the rodeo. If the rodeo or any ground rule is denied, the committee must be notified within the 10-day period. Rodeo Administration has an additional 5 days to provide the basis for the denial. If notice is not given within the 5-day period the rodeo and/or the ground rule as submitted will stand as approved. The effective time would be 4:00 pm Mountain time on the appropriate ending date
