Hobbies and special interests: I enjoy running, dancing with my team, singing, cooking, and spending time with my big family. Whenever I have free time, you can always find me with a book in my hands. I am also a golf caddie.

What is your favorite place to visit in Portland and why?

My two favorite places to visit are the Rose Garden and Forest Park. Walking the gardens with my family, stopping at my Mom's stone on the Queen's Walk, and running around the park for a cross country scavenger hunt. I enjoy running and hiking in Forest Park as an escape from the bustling city.

What are you most proud of during your high school career?

I am most proud of receiving the "Bright Star of the Year" award from the National Multiple Sclerosis Society in 2018 for outstanding youth fundraisers & volunteers. The National MS Society has had a profound impact on my life. My dad was diagnosed with MS, an incurable disease, in 2001. I volunteer & fundraise with the NMSS not only for my dad, but for everyone else who suffers from MS, so that one day, a cure will be found. Over the past four years, I have raised over \$25,000 for the National MS Society through Bike MS.

What is your favorite Rose Festival event and why?

My favorite Rose Festival event is the Rose City Sing-Off. It's an incredible showcase for all the talented high school singers in Portland. I have a passion for singing. Since I was in second grade, I have sung in my church choir and before the shutdown, I participated in my school choir. That's why I enjoy listening to the talented acapella groups that compete in the annual sing-off.
