What is your favorite place to visit in Portland and why?

My favorite place to visit in Oregon is driving along Eagle Creek over the various bridges over the river and going through all of the trees and nature.

What are you most proud of during your high school career?

Something I am most proud of in my high school career is building bonds and maintaining friendships with my peers and having close relationships with them. I'm proud of allowing myself to be who I am and allowing myself to flourish into a strong woman.

My favorite Rose Festival event is the Starlight Parade because I love all of the cheer and smiles it brings to everyone around me. I love that the parade is one of the many events that brings together people of all ages and backgrounds with no problem.
