

Princess Bio

Name: Jacqueline Ngo

School: Parkrose High School

Year in school: Junior

Career plans: I plan to study Computer Science and Criminal Justice and am considering a career as a Cyber Forensics Analyst.

High School Activities & Honors:

National Honors Society, Varsity Cheerleading, Varsity Tennis, Student Health Action Council, Asian Youth Society, Mock Trial, AVID and Fan Dance.

Hobbies and special interests:

Outside of school, it's common to see me cheerleading, playing tennis, or finding new delicious food spots! I tend to overwhelm myself in extracurriculars, so many people can see me out and about trying to relax.

What are you most proud of during your high school career?

I am most proud of my perseverance and determination. Though this accomplishment is broad, I believe these two traits lead me to many positive results in high school. For example, I started freshman year with no prior cheerleading experience; nevertheless, I became cheerleading captain by my junior year.

What is your favorite Rose Festival event and why?

My favorite event is the [Care Oregon] Starlight Parade. It is a way for me to support the Parkrose High School band and performing teams as a fellow student.
