

Princess Bio

Name: Kobi Flowers

School: Jefferson High School

Year in school: Senior

Career plans: I am considering becoming an Anesthesiologist or Pharmacist.

High School Activities & Honors:

I am a part of a few organizations like Upward Bound/TRIO, SEI (Self Enhancement Inc.), and SEI Leadership. I also participate in my school's Black Student Union. Additionally, I am the secretary in my school's student government and am the Varsity Cheer Captain.

Hobbies and special interests:

I really enjoy baking as it signifies joy and love for me. It's a family tradition to bake our annual Christmas sugar cookies. Varsity Cheer also takes up a lot of my time!

What are you most proud of during your high school career?

My biggest accomplishment has been joining my cheerleading team. Joining my team was the best decision because before trying out for cheer I wasn't really involved with my school. But being part of my team definitely gave me school involvement. And the most valuable thing to me is that I've gained a family.

What is your favorite Rose Festival event and why?

My favorite Rose Festival event is the Grand Floral Parade!! I love the feeling of the community coming together and bonding over the annual event. Coming together for this event there is something for everyone no matter how old you are.
