Future education plans: I plan to attend Portland State University to get my bachelor's degree and maybe my masters.

Career plans: I aspire to work in the public health field, making my community a safer place with more access to necessities for all humans.

High School Activities & Honors: Gay-Straight Alliance club starter - Social Media Manager - Varsity Golf - Youth Action Council member - SAFER club member

Hobbies and special interest: Every day after school, I work with kids, talking to them, playing with them and learning from them. When I am not at work or working on my core classes, I am a journalist and manager for my school's newspaper, The Oracle. I love to write and I love the community of journalists I have come to befriend. Not only am I a writer, but I am the Social Media Manager of The Oracle. While not at work or school, I enjoy spending time with my closest friends and making lasting memories together.

What is your favorite place to visit in Portland and why?

I would have to say the Colwood Golf Course is my favorite place. As a golfer, I have been to a couple of good golf courses, but Colwood is my favorite specifically because of the nine-hole, three par course that is a perfect pastime on a warm spring day.

What are you most proud of during your high school career?

I am most proud of finding a community of people that I have become part of. I found this community in the most unlikely place and I hope it will be with me for the rest of my life.

What is your favorite Rose Festival event and why?

The Starlight Parade because of my memories as a young child with my family. I remember we would always come to the parade with blankets, chairs and glow sticks.
